POSITIVE PROFIT ALERT

This announcement is made by Zhongmiao Holdings (Qingdao) Co., Ltd. (the "**Company**", together with its subsidiaries, the "**Group**") pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the "**Listing Rules**") and the Inside Information Provisions (as defined under the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the "**Board**") of directors of the Company (the "**Directors**") wishes to inform the shareholders of the Company (the "**Shareholders**") and potential investors that based on the preliminary assessment of the unaudited consolidated management accounts of the Group and the information currently available to the Board for the six months ended 30 June 2026 (the "**Period**"), the Group is expected to record the following financial results:

(i) revenue of more than RMB171.0 million as compared to that of approximately RMB113.6 million for the six months ended 30 June 2025, representing an increase of more than 50%;

(ii) profit for the Period of more than RMB45.5 million as compared to that of approximately RMB25.1 million for the six months ended 30 June 2025, representing an increase of more than 80%;

(iii) profit attributable to equity shareholders of the Company of more than RMB35.5 million as compared to that of approximately RMB25.1 million for the six months ended 30 June 2025, representing an increase of more than 40%.

During the Period, the Group achieved significant improvements in revenue and profit. These results were driven by the Group's mature capabilities in cross-sector resource integration and its deep commitment to developing a differentiated dual-business strategy of "insurance distribution + fintech". With the established insurance distribution business maintaining steady growth, the Group systematically advanced the synergistic implementation of the fintech business to achieve diversified revenue growth. Meanwhile, by leveraging artificial intelligence to optimise all its business processes, the Group continued to enhance its operational efficiency, which led to a corresponding improvement in its overall profit margin for the Period.

The information contained in this announcement is only based on the preliminary assessment of the unaudited consolidated management accounts of the Group and the information currently available to the Board for the Period, which have neither been reviewed nor audited by the Company's auditors nor have they been reviewed by the audit committee of the Company. The Group is still in the process of finalizing the interim results of the Group and therefore the actual results for the Period may differ from the information set out in this announcement. Details of the Group's interim results for the Period are expected to be published by late August 2026.

Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.
