ANNOUNCEMENT ON THE IMPLEMENTATION OF THE OVER-ALLOTMENT OPTION IN CONNECTION WITH THE INITIAL PUBLIC OFFERING OF A SHARES OF CHINA RESOURCES NEW ENERGY HOLDINGS COMPANY LIMITED

This announcement is made by the board (the “**Board**”) of directors of China Resources Power Holdings Company Limited (the “**Company**”) pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited and Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The exercise period of the over-allotment option (the “**Over-allotment Option Exercise Period**”) in connection with the initial public offering of RMB ordinary shares (A Shares) of the Spin-off Company and listing on the Main Board of the Shenzhen Stock Exchange (the “**A Share Offering**”) has expired on 31 July 2026. The implementation details of the over-allotment option in connection with the A Share Offering are as follows:

I. OVER-ALLOTMENT IN CONNECTION WITH THE A SHARE OFFERING

The Spin-off Company and the joint lead underwriter, based on the subscription results of the A Share Offering as at 22 June 2026, mutually agreed to activate the over-allotment option mechanism and over-allot 316,088,000 A Shares to online investors at the A Share offering price of RMB10.11 per share, representing approximately 15.00% of A Shares under the initial offering (prior to the exercise of the over-allotment option). The A Shares over-allotted were delivered to strategic investors on a deferred basis in the A Share Offering.

II. EXERCISE OF THE OVER-ALLOTMENT OPTION

The Over-allotment Option Exercise Period for the A Share Offering of the Spin-off Company commenced on the date of listing of the A Shares on the Shenzhen Stock Exchange (2 July 2026) (the “**A Share Listing Date**”) and ended on the 30th calendar day thereafter (inclusive), with the Over-allotment Option Exercise Period expiring on 31 July 2026. During the Over-allotment Option Exercise Period for the A Share Offering of the Spin-off Company (i.e. from 2 July 2026 to 31 July 2026), China International Capital Corporation Limited, serving as the authorised lead underwriter (the “**Authorised Lead Underwriter**”), was designated to implement the over-allotment option in connection with the A Share Offering. As the share price of the Spin-off Company was higher than the offering price at all times during the Over-allotment Option Exercise Period, the Authorised Lead Underwriter did not use the funds obtained from the over-allotment in this offering to purchase shares of this offering from the secondary market through competitive bidding.

The Over-allotment Option Exercise Period in connection with the A Share Offering has expired on 31 July 2026. The Spin-off Company issued an additional 316,088,000 A Shares on top of the initial offering of 2,107,255,000 A Shares at the A Share offering price of RMB10.11 per share. Therefore, the total number of shares issued has increased to 2,423,343,000 A Shares. The total number of shares issued accounts for approximately 18.19% of the total shares (i.e. 13,321,612,860 A Shares) of the Spin-off Company after the issuance. The additional total proceeds raised by the Spin-off Company from such issuance amounted to RMB3,195.6497 million. Together with the total proceeds of RMB21,304.3481 million from the initial offering of 2,107,255,000 A Shares, the final total proceeds from the A Share Offering amounted to RMB24,499.9977 million. After deducting issuance expenses (including VAT) of approximately RMB218.6748 million, the net proceeds amounted to approximately RMB24,281.3230 million.

By order of the Board
**China Resources Power
Holdings Company Limited**
SHI Baofeng
Chairman
