INSIDE INFORMATION
AND
PROFIT ALERT

This announcement is made by Dragon Mining Limited (the "**Company**", together with its subsidiaries, the "**Group**") pursuant to Rule 13.09(2)(a) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the "**Listing Rules**") and the Inside Information Provisions (as defined under the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board of directors of the Company (the "**Board**") wishes to update the shareholders of the Company (the "**Shareholders**") and potential investors that, based on the information currently available to Company and the preliminary review of the Group's unaudited management accounts for the period ended 30 June 2026, which have not been audited or reviewed by the auditors and/or the audit and risk management committee of the Company, it is expected that the Group will record a net profit for the period ended 30 June 2026 ("**Reporting Period**") ranging between approximately AU\$60.00 million and AU\$65.00 million, as compared to the net profit after tax of AU\$12.69 million for the period ended 30 June 2025 ("**Corresponding Period**").

Such an improvement in net profit after tax when compared to the Corresponding Period is primarily attributable to the following factors:

- higher average gold prices achieved over the Reporting Period;

- increase gold production resulting from higher mined ore grades and gold recovery at the Vammala Plant;

- a positive contribution from the toll treatment of gold bearing ore from nearby operation, Botnia Exploration Ab in Sweden; and

- sale of Aurion Resource Limited (TSXV: AU) shares during the Reporting Period.

The Company has yet to finalise the interim results of the Group for the period ended 30 June 2026, including whether the interim results will be materially impacted by the ongoing impairment assessment of non-current assets. The information contained in this announcement is only based on a preliminary review of the unaudited management accounts of the Group for the period ended 30 June 2026, and the actual results of the Group for the period ended 30 June 2026 may be different from what is disclosed herein.
