POSITIVE PROFIT ALERT

This announcement is made by Bonny International Holding Limited (the "**Company**", together with its subsidiaries, the "**Group**") pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the "**Listing Rules**") and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Cap. 571 of the Laws of Hong Kong).

The board of directors (the "**Board**") of the Company is pleased to inform the shareholders of the Company (the "**Shareholders**") and potential investors that, based on the preliminary review of the Group's unaudited consolidated management accounts for the six months ended 30 June 2026 (the "**Reporting Period**") and the preliminary assessment on the information currently available to the Board, the Group is expected to report a net profit attributable to owners of the Company in the range of approximately RMB8 million to approximately RMB10 million for the Reporting Period , representing an increase in the range of approximately RMB6.8 million to approximately RMB8.8 million when comparing to the net profit attributable to owners of the Company of approximately RMB1.2 million for the six months ended 30 June 2025 (the "**Corresponding Period of Last Year**"). The net profit attributable to owners for the Reporting Period included a gain of approximately RMB14 million to RMB16 million recognised in respect of the disposal of Hongkong Bonny Limited (the "**Disposal**"), which takes into account the losses from exchange difference recognized in other comprehensive income being reclassified to profit or loss (please refer to the Company's announcements dated 10 April 2026 and circular dated 8 May 2026 in relation to the Disposal). The Company will record a loss during the Reporting Period if relevant gain from the Disposal being excluded.

Based on the currently available information, the Board is of the view that the Group's loss for the Reporting Period, excluding the relevant gain from the Disposal, was primarily due to a decrease of approximately 16% in the Group's revenue from its core business from approximately RMB116 million for the Corresponding Period of Last Year to approximately RMB97 million for the Reporting Period. The decrease in customer order volume as compared to previous years was mainly a result of sluggish growth in end-consumer demand for apparel, coupled with intense domestic and international competition in the apparel original design manufacturer industry in which the Group operates.

The Company is still in the process of preparing the unaudited consolidated financial results for the Reporting Period. The information contained in this announcement is the preliminary assessment made by the Board based on the unaudited management accounts and currently available information only. Such information has not been finalised nor reviewed by the Company's auditor or the audit committee of the Company, and is therefore subject to adjustment.

Further details of the Group's financial information and performance for the Reporting Period will be set out in the Company's interim results announcement to be published by the end of August 2026.

Shareholders and potential investors of the Company are advised to exercise caution when dealing in the shares of the Company.
