POSITIVE PROFIT ALERT

This announcement is made by KangLi International Holdings Limited (the "**Company**", together with its subsidiaries, the "**Group**") pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the "**Stock Exchange**") (the "**Listing Rules**") and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the "**Board**") of directors (the "**Directors**") of the Company wishes to inform the shareholders of the Company (the "**Shareholders**") and potential investors that, based on a preliminary review of the unaudited consolidated management accounts (the "**Unaudited Consolidated Management Accounts**") of the Group for the six months ended 30 June 2026 (the **"Period"**) and the latest information currently available, the Group expects to record a net profit of not more than RMB40,000,000 for the Period as compared to the net profit of approximately RMB10,373,000 for the six months ended 30 June 2025.

The Board believes that the aforementioned change was mainly attributable to, amongst others, the increase in both the sales volume and gross profit margin of the Group's products for the Period. The increase of gross profit margin for the Period was mainly due to (1) increase of sales volume which improved the utilization rate of our production facilities and in turn reduced our overall production unit cost; and (2) the extent of the decrease in average selling prices of our products was smaller than that in the average unit cost of raw materials.

As the Company is still in the process of preparing and finalising the results of the Group for the Period, the information contained in this announcement is only based on a preliminary assessment made by the Board with reference to the latest information currently available and the Unaudited Consolidated Management Accounts, which has not been reviewed by the audit committee of the Board, and therefore may be subject to adjustments as appropriate. Particulars of the Group's business performance will be disclosed in its results announcement for the Period, which is expected to be published before end of August 2026.

Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.
