INSIDE INFORMATION
PROFIT WARNING

This announcement is made by the board (the "**Board**") of directors (the "**Directors**") of Grown Up Group Investment Holdings Limited (the "**Company**", together with its subsidiaries, the "**Group**") pursuant to Rule 13.09(2)(a) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the "**Listing Rules**") and the Inside Information Provisions (as defined under the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

Based on the preliminary review of the unaudited consolidated management accounts of the Group for the six months ended 30 June 2026 ("**HY2026**"), the Board wishes to inform the shareholders (the "**Shareholders**") and potential investors of the Company that the Group may record a net loss in a range of approximately HK$10 million to approximately HK$12 million for HY2026 as compared to the net loss of approximately HK$8.5 million for the six months ended 30 June 2025 ("**HY2025**"). The anticipated increase in net loss for HY2026 was mainly attributable to the decrease in revenue and gross margin for HY2026, mainly driven by (i) reduction in sales to the United States; and (ii) the decrease in sales for medical products, which historically represented higher-margin products. These factors were partially offset by the recognition of net realised and unrealised fair value gain on financial assets at FVTPL of approximately HK$0.3 million for HY2026 as compared to net realised and unrealised fair value loss on financial asset at FVTPL of approximately HK$2.7 million for HY2025.

The Company is still in the process of finalising its consolidated interim results of the Group for HY2026. The information contained in this announcement represents only a preliminary assessment by the Board based on the unaudited consolidated management accounts of the Group. Such information has not been reviewed by the Company's auditors or the audit committee of the Board and therefore may be subject to adjustment. The Group's interim results for HY2026 are expected to be published by the end of August 2026.

Shareholders and potential investors of the Company should exercise caution when dealing in the shares of the Company.
