PROFIT WARNING

This announcement is made by Deewin Tianxia Co., Ltd (the "**Company**", together with its subsidiaries, the "**Group**") pursuant to Rule 13.09(2)(a) of the Rules Governing the Listing of Securities (the "**Listing Rules**") on The Stock Exchange of Hong Kong Limited (the "**Stock Exchange**") and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong). The board (the "**Board**") of directors (the "**Directors**") of the Company wishes to inform the shareholders (the "**Shareholders**") and potential investors of the Company that based on the preliminary assessment of the unaudited consolidated management accounts of the Group for the six months ended 30 June 2026 and the information currently available to the Company, the Group expects its net profit for the six months ended 30 June 2026 will range from approximately RMB30.0 million to RMB40.0 million, representing a decrease by approximately 56% to 67% as compared to the six months ended 30 June 2025. The net profit of the Group for the six months ended 30 June 2025 was RMB91.7 million. The expected decrease in the net profit is primarily because (i) given intensified competition in the domestic financial service and supply-chain logistics industries in the first half of 2026, the Group adjusted its commercial policy in response to market competition and to enhance competitiveness, leading to an overall year-on-year decline in gross profit; and (ii) in view of changes in overall market risk conditions, the Group, as a prudence measure, increased the credit impairment provisions for trade receivables from certain individual customers, thereby affecting the Group' s overall profitability.

The information contained in this announcement is based only on a preliminary assessment by the Board based on the information currently available to the Board and the unaudited financial information of the Group and is not based on any financial figures or information reviewed or audited by the Company's auditor. Further details of the Group's financial results and performance for the six months ended 30 June 2026 will be disclosed in the interim results announcement of the Group, which will be published by the end of August 2026.

Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.
