PROFIT WARNING

This announcement is made by Inkeverse Group Limited (the "**Company**", together with its subsidiaries, the "**Group**") pursuant to Rule 13.09(2) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the "**Listing Rules**") and the Inside Information Provisions (as defined under the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Cap. 571 of the Laws of Hong Kong).

The board of directors of the Company (the "**Board**") wishes to inform the shareholders of the Company (the "**Shareholders**") and potential investors that, based on a preliminary review of the unaudited consolidated management accounts of the Group for the six months ended 30 June 2026 (the "**Reporting Period**") and information currently available, the Group is expected to record a decrease in net profit for the Reporting Period of more than 30.0% as compared with the unaudited net profit for the six months ended 30 June 2025 of approximately RMB273,979,000.

The decrease in net profit during the Reporting Period was primarily attributable to the following factors:

(i) a decrease in revenue from the Group's social networking business driven by changes in the market environment and user consumption preferences; and

(ii) a substantial increase in impairment of cryptocurrency held by the Group as a result of the decrease in price of Bitcoin and Ethereum during the Reporting Period.

The effects of the aforesaid factors are expected to be partially offset by an increase in fair value of financial instruments classified as financial assets at fair value through profit or loss during the Reporting Period.

The Group will continue to optimise its existing products and business structure, enhance its revenue scale and profitability, prudently control costs and expenses, and continue to monitor market demand and development opportunities. The Board is of the view that the Group's overall financial and operating position remains stable and is confident in the long-term development of the Group.

The Board would like to remind the Shareholders that the Company is in the process of finalising the Group's unaudited consolidated results for the six months ended 30 June 2026. The information contained in this announcement is only based on the preliminary assessment of the unaudited consolidated management accounts of the Group and information currently available to the Board, which has not been reviewed or audited by the Company's auditors, nor reviewed by the audit committee of the Board, and is subject to adjustments upon further review. The actual unaudited consolidated results of the Group for the six months ended 30 June 2026 may differ from the information contained in this announcement. Details of the Group's financial results and performance will be further disclosed in the Company's interim results announcement for the six months ended 30 June 2026, which is expected to be published by the end of August 2026.

Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.
