INSIDE INFORMATION
PROFIT WARNING

This announcement is made pursuant to the requirements of Rule 13.09(2)(a) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the "**Listing Rules**") and Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Cap. 571 of the Laws of Hong Kong).

The board of Directors (the "**Board**") of CCID Consulting Company Limited* (the "**Company**", together with its subsidiaries, the "**Group**") wishes to inform the shareholders and potential investors of the Company that, based on the preliminary assessment of the latest unaudited consolidated management accounts of the Group and the information currently available to the Company, the Group expects its turnover for the six months ended 30 June 2026 (the "**Current Period**") will decrease by approximately 35% to 45%, compared to the turnover for the six months ended 30 June 2025. In addition, the after-tax profit for the Current Period is expected to range from RMB4,299,000 to RMB8,597,000, representing a decrease of approximately 80% to 90% compared to the after-tax profit of RMB42,985,000 for the corresponding period in 2025.

The Group expects that its turnover and after-tax profit for the Current Period will decline compared to the corresponding period in 2025, mainly attributable to a decrease in revenue from the Group's decision-making consulting services and other businesses during the Current Period amid intensified industry competition, changes in customer demand and tighter budgets. At the same time, the Group's cost expenditures decline at a slower rate than its revenue, leading to a year-on-year decline in profit for the Current Period compared to the corresponding period last year.

As the Company is still finalizing the interim results for the Current Period, the information contained in this announcement is based on the preliminary assessment by the Company's management of the consolidated management accounts which have not been audited by the Group's auditor or reviewed by the audit committee of the Company. Shareholders and potential investors of the Company should carefully read the Group's interim results announcement for the Current Period scheduled to be published by the Company in August 2026.

Shareholders and potential investors of the Company are advised to exercise caution when dealing in the shares of the Company.
