The Board wishes to inform the shareholders and potential investors of the Company that based on the preliminary assessment of the unaudited consolidated management accounts of the Group for the six months ended 30 June 2026, the loss attributable to shareholders of the Group is expected to be approximately RMB145.8 million for the six months ended 30 June 2026, representing a decrease in loss of approximately RMB40.0 million as compared to the loss attributable to shareholders of approximately RMB185.8 million recorded for the same corresponding period last year. The Group's reduced losses were mainly due to higher product market prices following the outbreak of the US-Israel-Iraq war, which increased the gross profit margin of the Group's products.
