SUPPLEMENTAL ANNOUNCEMENT TO THE AGM CIRCULAR

Reference is made to the circular of Jakota Capital (Holding) Group (the “**Company**”) dated 30 July 2026 (the “**AGM Circular**”). Unless otherwise specified, capitalised terms used herein shall have the same meanings defined in the AGM Circular.

The Company would like to provide the following supplemental information to the Shareholders regarding the proposed re-appointment of McMillan Woods (Hong Kong) CPA Limited (“**McMillan Woods**”) as the auditors of the Company.

RE-APPOINTMENT OF AUDITORS OF THE COMPANY

The Board, upon the recommendation of the Audit Committee, proposed to re-appoint McMillan Woods as the auditors of the Company to hold office until the conclusion of the next annual general meeting and to authorise the Board to fix the auditors’ remuneration.

The estimated audit fee for the year ending 31 March 2027 is approximately HK\$1.25 million, as agreed between the Company and McMillan Woods. The estimated audit fee is broadly in line with the audit fee for the year ended 31 March 2026, as the Group’s principal business, corporate structure and expected audit scope are not expected to change materially for the year ending 31 March 2027. In determining the audit fee, the Company and McMillan Woods have taken into account, among other things, (i) the scale and complexity of the Group’s operations and reporting structure; (ii) the expected scope and timetable of the audit work; (iii) the level of resources, expertise, and time required to perform the audit; and (iv) the prevailing market rates.

The Board considers the estimated audit fee to be fair and reasonable and commensurate with the scope and requirements of the proposed audit engagement, having taken into account the outcome of arms' length negotiation between the Company and McMillan Woods. The estimated audit fee has also been determined on the assumption that there will be no substantial change in the Company's business scope, operations, accounting policies or regulatory environment for the year ending 31 March 2027 that would materially affect the scope of the audit.

Unless there is a material change in the basis and assumptions set out above, the final audit fee is not expected to deviate materially from the estimated amount set out above. In the event of any material change, the Company will make further disclosures as appropriate.

Save for the above supplemental information, all information and contents set out in the AGM Circular remain unchanged.
