POSITIVE PROFIT ALERT

This announcement is made by Jinchuan Group International Resources Co. Ltd (the "**Company**", together with its subsidiaries, the "**Group**") pursuant to Rule 13.09 of the Rules Governing the Listing of Securities (the "**Listing Rules**") on The Stock Exchange of Hong Kong Limited (the "**Stock Exchange**") and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board ("**Board**") of directors (the "**Directors**") of the Company wishes to inform the shareholders of the Company (the "**Shareholders**") and potential investors that, based on the preliminary review of the latest unaudited consolidated management accounts of the Group for the six months ended 30 June 2026 and the current information available to the Board, the Group is expected to record a consolidated profit attributable to the Shareholders in the region of approximately US$30 million to US$50 million for the six months ended 30 June 2026, as compared to that of US$5.5 million for the six months ended 30 June 2025. The significant increase is mainly driven by the rise in revenue from copper product which is resulted from both the increase in market copper prices and expanded production and thus overall sales volumes after commissioning of Musonoi Mine, our third operating mine in the Democratic Republic of Congo since November 2025. The increased revenue leads to much higher gross profit amount which was reduced to certain extent by the increase in both the depreciation and interest cost as their respective capitalisation ceased upon the above-mentioned Musonoi Mine's commissioning.

The Company is still in the process of finalising the interim results for the six months ended 30 June 2026. This positive profit alert announcement is only based on the Board's preliminary review and assessment of the respective draft unaudited consolidated management accounts of the Group and information currently available to the Board which are subject to finalisation and other potential adjustments, if any, and have not been reviewed nor audited by the Company's independent auditor and are subject to review by the audit committee of the Company, and may therefore be subject to changes. Shareholders and potential investors of the Company are advised to refer to the details of financial data to be disclosed in the announcement for interim results for the six months ended 30 June 2026 which is expected to be announced on 14 August 2026, and that shall prevail.
