PROFIT WARNING

This announcement is made by Kasen International Holdings Limited (the “**Company**” and, together with its subsidiaries, the “**Group**”) pursuant to the Inside Information Provisions (as defined in the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”)) under Part XIVA of the Securities and Futures Ordinance (Cap. 571 of the Laws of Hong Kong) and Rule 13.09 of the Listing Rules.

The board of directors of the Company (the “**Board**”) wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that, based on the preliminary review of the unaudited management accounts of the Group for the six months ended 30 June 2026, it is expected that the Group will record consolidated net loss attributable to owners of the Company in the range of RMB3.0 million to RMB8.0 million for the six months ended 30 June 2026, representing a turnaround from a net profit attributable to owners of the Company of approximately RMB22.6 million for the corresponding period in 2025. Based on the information currently available to the Board, such turnaround from profit to loss was principally attributable to the increase in exchange loss arising from fluctuation of the US Dollar against the Renminbi during the six months ended 30 June 2026 as compared with the corresponding period in last year.

The Company is still in the process of finalising the interim results of the Group for the six months ended 30 June 2026. The information contained in this announcement is solely based on the preliminary assessment by the management of the Company based on the information currently available to the Board, including the unaudited management accounts of the Group for the six months ended 30 June 2026, which have not been reviewed or audited by the Company’s auditors or the audit committee of the Company, and the actual results of the Group for the six months ended 30 June 2026 may be different from what is disclosed herein. Shareholders and investors are advised to read carefully the interim results announcement of the Company for the six months ended 30 June 2026, which is expected to be published by the end of August 2026.
