PROFIT WARNING

This announcement is made by Weigang Environmental Technology Holding Group Limited (the "**Company**", together with its subsidiaries, collectively the "**Group**") pursuant to Rule 13.09(2)(a) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the "**Listing Rules**") and Inside Information Provisions (as defined under the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board of directors of the Company (the "**Board**") wishes to inform shareholders of the Company (the "**Shareholders**") and potential investors that, based on a preliminary review on the unaudited consolidated management accounts of the Group and information currently available to the Board, the Group is expected to record a loss attributable to owners of the Company for the six months ended 30 June 2026, of approximately between RMB14.0 million and RMB16.0 million, as compared to a loss attributable to owners of the Company of RMB7.3 million recorded for the six months ended 30 June 2025.The Company's anticipated loss expansion is primarily due to a decrease of approximately RMB5.0 million to RMB7.0 million in the impairment losses reversed on fiancial assets and contract assets for the first six months of 2026, compared to RMB8.3 million in the same period of 2025. There was no material change in the ageing profile of the Group's trade receivables during the six months ended 30 June 2026. The decrease in reversal of impairment losses was primarily attributable to the fact that Guangzhou Weigang Environmental Protection Technology Co., Ltd., a subsidiary of the Group, realised more substantial cash collections on its accounts receivable in the corresponding period of 2025 as compared to the first half of 2026, which resulted in a higher reversal of impairment losses being recognised in the corresponding period of 2025.

As the Company is still in the process of finalising the interim results of the Group for the six months ended 30 June 2026, the information contained in this announcement is only based on the preliminary assessment made by the Board with reference to the unaudited consolidated management accounts of the Group, which have not been confirmed, reviewed or audited by the Company 's auditors and may be subject to adjustment. Detailed financial information of the Group will be disclosed in the interim results announcement of the Group for the six months ended 30 June 2026 which is expected to be published by 31 August 2026 in accordance with the Listing Rules.

Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.

By order of the Board
Weigang Environmental Technology Holding Group Limited
Cai Zhuhua
Chairman
