PROFIT WARNING

This announcement is made by Multifield International Holdings Limited (the "**Company**", together with its subsidiaries, the "**Group**") pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the "**Listing Rules**") and the Inside Information Provisions (as defined under the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board of directors of the Company (the "**Board**") wishes to inform the shareholders of the Company (the "**Shareholders**") and potential investors that, based on a preliminary review of the unaudited consolidated management accounts of the Group for the six months ended 30 June 2026 (the "**Period**") and other information currently available to the Board, the Group is expected to record a consolidated profit attributable to the owners of the Company in the range of approximately HK$100 million to HK$120 million for the Period, as compared to a consolidated profit attributable to the owners of the Company of approximately HK$238 million for the six months ended 30 June 2025.

The anticipated decrease in profit for the Period is primarily due to a significant reduction in the net mark-to-market fair value gain on the Group's financial assets measured at fair value through profit or loss, which declined from approximately HK$208 million for the corresponding period in 2025 to approximately HK$46 million for the Period, reflecting prevailing market conditions as at 30 June 2026. The Board considers that such fair value movements are non-cash in nature and do not have any material adverse impact on the Group's core operations or cash flows, and that the Group's overall financial position remains sound.

The Group is still in the process of finalising its interim results for the Period. The information contained in this announcement is based solely on the Board's preliminary assessment with reference to the information currently available, and does not include any figures or information that have been audited or reviewed by the Company's auditor or audit committee. The Group's actual results for the Period may differ from the information contained in this announcement. Shareholders and potential investors are advised to read carefully the Company's interim results announcement for the Period, which is expected to be published before the end of August 2026.

Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.
