The Board wishes to further inform the Shareholders and potential investors that based on the information currently available to the Company and the preliminary review of the unaudited consolidated management accounts of the Group, the Company is expected to record a loss after tax of not more than HK\$105 million for the six months ended 30 June 2026 (2025: profit after tax of approximately HK\$64 million).

The increase of expected maximum loss after tax from HK\$70 million as stated in the Profit Warning Announcement to HK\$105 million for the six months ended 30 June 2026 is arising from the provision for estimated loss on remeasurement of assets held for sale in respect of the Property Disposal of approximately HK\$38 million, as stated in the Joint Announcement, which is recorded on a conservative measurement basis in accordance with HKFRS Accounting Standards.

As stated in the Profit Warning Announcement, the information contained in the Profit Warning Announcement was based on the information then available to the Company, and the preliminary assessment of the management accounts of the Group for the six months ended 30 June 2026, which has not been audited nor reviewed by the Company’s auditors and may subject to adjustments. As the auditors of the Company have been conducting an ongoing review of the management accounts of the Group for the six months ended 30 June 2026, an adjustment was noted during the ongoing review process and there is no guarantee that no further adjustments will be made during the ongoing review process.

The Company is still in the course of preparing and finalising the consolidated results of the Group for the six months ended 30 June 2026. The information contained in this announcement is based on the information currently available to the Company and the preliminary assessment of the management accounts of the Group for the six months ended 30 June 2026, which has not been audited nor reviewed by the Company's auditors and may be subject to adjustments.
