SUPPLEMENTAL ANNOUNCEMENT REGARDING SHARE PLEDGES BY CONTROLLING SHAREHOLDER

References are made to the announcements of OmniVision Integrated Circuits Group, Inc. (the “**Company**”) dated July 14, 2026, July 16, 2026 and July 20, 2026 (collectively, the “**Announcements**”) regarding the share pledges (the “**Pledges**”) by Mr. YU Renrong (“**Mr. Yu**”), a controlling shareholder of the Company. Unless the context requires otherwise, terms defined in the Announcements have the same meanings herein.

BACKGROUND

As disclosed in the Announcements, Mr. Yu pledged an aggregate of 49,700,000 A shares of the Company (representing approximately 3.95% of the total issued share capital of the Company as of the date of this announcement) to Yunnan International Trust Co., Ltd., Huaneng Guicheng Trust Co., Ltd. and Xizang Trust Co., Ltd. (collectively, the “**Pledgees**”), respectively, in July 2026 to secure refinancing facilities for pre-existing personal loans.

CLARIFICATION ON IMPRECISE INTERPRETATION OF LISTING RULES

Following consultation with the Stock Exchange, the Company wishes to clarify that the Pledges were created and the Announcements were published as a result of the Company’s misinterpretation of the application of Rule 10.07(1)(b) of the Listing Rules. Due to the initial interpretation of Rule 10.07(1)(b) of the Listing Rules, the Company and Mr. Yu had previously taken the imprecise view that the written undertakings provided by the Pledgees as disclosed in the Announcements were sufficient for compliance with Rule 10.07(1)(b).

NATURE OF FINANCING AND PURPOSE

Mr. Yu confirms that the Pledges were entered into in good faith to facilitate legitimate refinancing and were not intended to circumvent the restriction under Rule 10.07(1)(b). The Company wishes to emphasize that the Pledges are not a mechanism for Mr. Yu to dispose of his interest in the Company or to monetize his shareholding for personal gain but were executed solely to secure genuine commercial loans used for refinancing Mr. Yu’s pre-existing personal indebtedness.

As of the date of this announcement, Mr. Yu has a good credit standing and possesses the corresponding repayment capacity, and the pledged shares do not face the risk of being liquidated or forcibly transferred, and the pledge risk is controllable. Furthermore, as each of Yunnan International Trust Co., Ltd., Huaneng Guicheng Trust Co., Ltd. and Xizang Trust Co., Ltd. has executed a written undertaking in favour of Mr. Yu that it would not exercise or realize any security rights over the Company's shares held by Mr. Yu pursuant to the financing documents thereby causing Mr. Yu to breach the restriction under paragraph 10.07(1)(b) of the Listing Rules, the Company is of the view that Mr. Yu's status as a controlling shareholder of the Company remains unaffected during the restricted period under Rule 10.07(1)(b) of the Listing Rules notwithstanding the creation of the Pledges.

REMEDIAL MEASURES

To prevent any recurrence of similar misinterpretation, the Company has implemented the following measures:

1. **Enhanced monitoring:** The Company's Legal Department will closely monitor the terms of the existing pledge agreements and maintain ongoing dialogue with Mr. Yu and the Pledgees to ensure that any potential exercise of security rights is identified early and managed in strict accordance with the undertakings provided by the Pledgees and the Listing Rules.
2. **Regular compliance training:** The Company will arrange regular training sessions for its directors (including Mr. Yu) and senior management, focusing on continuing compliance obligations under the Listing Rules. Specific emphasis will be placed on Rule 10.07 and the distinction between permissible financing activities and prohibited disposals during restricted periods.
3. **Mandatory pre-clearance protocol:** The Company has instituted a formal protocol requiring the controlling shareholders to provide advance written notice to the Company of any proposed transactions involving the Company's securities during the rest of the restricted periods under Rule 10.07.
4. **Prompt disclosure:** The Company has promptly published, and will continue to promptly publish on a timely basis, announcements regarding the controlling shareholders' share pledges in compliance with the requirements under the Listing Rules and applicable laws and regulations. These disclosures are designed to ensure transparency and to keep shareholders and the public informed of material updates.

COMMITMENT TO COMPLIANCE

The Company apologizes for any confusion caused by the previous interpretation. Each of the Company and Mr. Yu is committed to adhering to the Listing Rules and will take all necessary steps to ensure compliance with the applicable requirements under Listing Rules, the relevant rules and regulations and the Stock Exchange's guidance.

By order of the Board
OmniVision Integrated Circuits Group, Inc.
