FOR IMMEDIATE RELEASE

Melco Resorts Announces Unaudited Second Quarter 2026 Earnings

Macau, Thursday, August 13, 2026 – Melco Resorts & Entertainment Limited (Nasdaq: MLCO) (“Melco Resorts” or the “Company”), a developer, owner, and operator of integrated resort facilities in Asia and Europe, today reported its unaudited financial results for the second quarter of 2026.

Total operating revenues for the second quarter of 2026 were US\$1.25 billion, representing a decrease of approximately 6% from US\$1.33 billion for the comparable period in 2025. The decrease in total operating revenues was primarily attributable to softer performance in rolling chip and mass market table games as well as overall non-gaming operations.

Operating income for the second quarter of 2026 was US\$127.8 million, compared with US\$124.7 million in the second quarter of 2025.

Melco Resorts’ Adjusted Property EBITDA⁽¹⁾ was US\$303.8 million in the second quarter of 2026, compared with US\$377.7 million in the second quarter of 2025.

Net income attributable to Melco Resorts & Entertainment Limited for the second quarter of 2026 was US\$22.7 million, or US\$0.06 per American depositary share (“ADS”), compared with US\$17.2 million, or US\$0.04 per ADS, in the second quarter of 2025. The net loss attributable to noncontrolling interests was US\$12.1 million and US\$7.8 million during the second quarters of 2026 and 2025, respectively, the majority of which was attributable to Studio City and City of Dreams Mediterranean and Other.

Mr. Lawrence Ho, our Chairman and Chief Executive Officer, commented, “We are confident in the long-term strength of our businesses and our outlook for Macau. Despite near-term headwinds that are reflected in our second quarter results, our priorities continue to be to deepen customer engagement, attract high quality visitation, and continue investing in our properties to anticipate the changing needs of our guests. Our new hotel, REM, will commence its phased opening in the third quarter of 2026, which together with our continued efforts to operate more efficiently and strengthen our business, positions us well to capture the demand that has been gaining momentum in Macau.

“Outside of Macau, our diversified portfolio continued to demonstrate resilience and growth potential. In the Philippines, City of Dreams Manila delivered solid year-over-year growth despite the ongoing challenges in the country. In Cyprus, City of Dreams Mediterranean and our satellite casinos rebounded

with considerable strength as disruptions in regional travel eased, with Property EBITDA in the second quarter of 2026 growing by 60% year-over-year.”

Safe Harbor Statement

This press release contains forward-looking statements. These statements are made under the “safe harbor” provisions of the U.S. Private Securities Litigation Reform Act of 1995. Melco Resorts & Entertainment Limited (the “Company”) may also make forward-looking statements in its periodic reports to the U.S. Securities and Exchange Commission (the “SEC”), in its annual report to shareholders, in press releases and other written materials and in oral statements made by its officers, directors or employees to third parties. Statements that are not historical facts, including statements about the Company’s beliefs and expectations, are forward-looking statements. Forward-looking statements involve inherent risks and uncertainties, and a number of factors could cause actual results to differ materially from those contained in any forward-looking statement. These factors include, but are not limited to, (i) changes in the gaming market and visitations in Macau, the Philippines, the Republic of Cyprus and Sri Lanka, (ii) local and global economic conditions, (iii) capital and credit market volatility, (iv) our anticipated growth strategies, (v) risks associated with the implementation of the amended Macau gaming law by the Macau government, (vi) gaming authority and other governmental approvals and regulations, and (vii) our future business development, results of operations and financial condition. In some cases, forward-looking statements can be identified by words or phrases such as “may,” “will,” “expect,” “anticipate,” “target,” “aim,” “estimate,” “intend,” “plan,” “believe,” “potential,” “continue,” “is/are likely to” or other similar expressions. Non-GAAP Financial Measures

(1) “Adjusted EBITDA” is net income/loss before interest, taxes, depreciation, amortization, pre-opening costs, development costs, property charges and other, share-based compensation, payments to the Philippine parties under the cooperative arrangement (the “Philippine Parties”), integrated resort and casino rent and other non-operating income and expenses. “Adjusted Property EBITDA” is net income/loss before interest, taxes, depreciation, amortization, pre-opening costs, development costs, property charges and other, share-based compensation, payments to the Philippine Parties, integrated resort and casino rent, Corporate and Other expenses and other non-operating income and expenses. Adjusted EBITDA and Adjusted Property EBITDA, which are non-GAAP financial measures, are presented as supplemental disclosures because management believes they are widely used to measure the performance, and as a basis for valuation, of gaming companies. Management uses Adjusted EBITDA and Adjusted Property EBITDA to measure the operating performance of our segments and to compare the operating performance of our properties with those of our competitors.

The Company also presents Adjusted EBITDA and Adjusted Property EBITDA because they are used by some investors as ways to measure a company's ability to incur and service debt, make capital expenditures, and meet working capital requirements. Gaming companies have historically reported similar measures as supplements to financial measures in accordance with generally accepted accounting principles, in particular, U.S. GAAP or International Financial Reporting Standards. However, Adjusted EBITDA and Adjusted Property EBITDA should not be considered as alternatives to operating income/loss as indicators of the Company's performance, as alternatives to cash flows from operating activities as measures of liquidity, or as alternatives to any other measure determined in accordance with U.S. GAAP. Unlike net income/loss, Adjusted EBITDA and Adjusted Property EBITDA do not include depreciation and amortization or interest expense and, therefore, do not reflect current or future capital expenditures or the cost of capital. The Company recognizes these limitations and uses Adjusted EBITDA and Adjusted Property EBITDA as only two of several comparative tools, together with U.S. GAAP measurements, to assist in the evaluation of operating performance.

Such U.S. GAAP measurements include operating income/loss, net income/loss, cash flows from operations and cash flow data. The Company has significant uses of cash flows, including capital expenditures, interest payments, debt principal repayments, taxes and other recurring and nonrecurring charges, which are not reflected in Adjusted EBITDA or Adjusted Property EBITDA. Also, the Company's calculation of Adjusted EBITDA and Adjusted Property EBITDA may be different from the calculation methods used by other companies and, therefore, comparability may be limited. The use of Adjusted Property EBITDA and Adjusted EBITDA has material limitations as an analytical tool, as Adjusted Property EBITDA and Adjusted EBITDA do not include all items that impact our net income/loss. Investors are encouraged to review the reconciliation of the historical non-GAAP financial measure to its most directly comparable GAAP financial measure. Reconciliations of Adjusted EBITDA and Adjusted Property EBITDA with the most comparable financial measures calculated and presented in accordance with U.S. GAAP are provided herein immediately following the financial statements included in this press release.

- (2) "Adjusted net income/loss attributable to Melco Resorts & Entertainment Limited" is net income/loss attributable to Melco Resorts & Entertainment Limited before pre-opening costs, development costs, property charges and other and loss on extinguishment of debt, net of noncontrolling interests and taxes calculated using specific tax treatments applicable to the adjustments based on their respective jurisdictions. Adjusted net income/loss attributable to Melco Resorts & Entertainment Limited and adjusted net income/loss attributable to Melco Resorts & Entertainment Limited per share ("EPS"), which are non-GAAP financial measures, are presented as supplemental disclosures because management believes they are widely used to measure the performance, and as a basis for valuation, of gaming companies. These measures are used by management and/or evaluated by some investors, in addition to income/loss and EPS computed in accordance with U.S. GAAP, as an additional basis for assessing period-to-period results of our business. Adjusted net income/loss attributable to Melco Resorts & Entertainment Limited and adjusted net income/loss attributable to Melco Resorts & Entertainment Limited per share may be different from the calculation methods used by other companies and, therefore, comparability may be limited. Reconciliations of adjusted net income/loss attributable to Melco Resorts & Entertainment Limited with the most comparable financial measures calculated and presented in accordance with U.S. GAAP are provided herein immediately following the financial statements included in this press release.
