POSITIVE PROFIT ALERT

This announcement is made by Guoxia Technology Co., Ltd. (the "**Company**" and, together with its subsidiaries, the "**Group**") pursuant to Rule 13.09(2)(a) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the "**Listing Rules**") and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the "**Board**") of directors ("**Directors**") of the Company is pleased to inform the holders of H shares of the Company (the "**Shareholders**") and the potential investors that, based on the information currently available and a preliminary assessment of the latest unaudited consolidated management accounts of the Group for the six months ended 30 June 2026 (the "**Period**"), the Group is expected to record:

(a) revenue of approximately RMB1,350 million to RMB1,450 million for the Period, compared to approximately RMB691.4 million for the six months ended 30 June 2025 (the "**Prior Period**"); and

(b) profit of approximately RMB55 million to RMB65 million for the Period, compared to approximately RMB5.6 million for the Prior Period.

Based on the information currently available, the Board considers that the expected increase in revenue and profit for the Period was primarily attributable to the substantial increase in revenue from both the energy storage systems ("**ESS**") solutions business and the EPC services business of the Group due to robust global energy storage market conditions, which drove substantial period-on-period growth in deliveries of the Group's ESS and EPC projects, while economies of scale lowered unit costs and expense ratios period-on-period. In addition, the net profit for the Prior Period was relatively low due to the impact of listing-related expenses.

The information contained in this announcement is only based on a preliminary assessment by the Board with reference to the unaudited consolidated management accounts of the Group for the Period and the information currently available to the Board, which have not been reviewed or confirmed by the audit committee of the Board, and have not been audited or reviewed by the Company's auditor. Data and information contained in this announcement may be subject to adjustments based on updated information. For details of the financial performance of the Group, Shareholders and potential investors of the Company should refer to the Company's interim results announcement for the Period, which is expected to be published on Thursday, 20 August 2026.

Shareholders and potential investors of the Company are advised to exercise caution when dealing in the H shares of the Company.
