PROFIT WARNING

This announcement is made by Speedy Global Holdings Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to the provisions of inside information under Part XIVA of the Securities and Futures Ordinance (Cap. 571 of the Laws of Hong Kong) and Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited.

The board of directors (the “**Board**”) of the Company wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that, based on the preliminary assessment of the Group’s unaudited management accounts for the six months ended 30 June 2026 (the “**Reporting Period**”) and information currently available to the Board, the Group is expected to record a net loss of not less than HK\$2 million as a result of a decrease in net profit of not less than 200% as compared to approximately HK\$2.6 million recorded for the corresponding period in 2025 (the “**Corresponding Period**”). Such turnaround from profit to loss was mainly attributable to a decrease in gross profit of not less than HK\$6 million for the Reporting Period as compared to approximately HK\$17.8 million recorded for the Corresponding Period, due to a substantial sale discount offered to a major customer by the Group.

The information contained in this announcement is only a preliminary assessment by the Board with reference to the unaudited consolidated management accounts of the Group and other information currently available to the Board. Such information has not been audited or reviewed by the auditors or the audit committee of the Company. As the Company is still in the process of finalising its financial results for the Reporting Period, the final results for the Reporting Period may be subject to changes and may differ from the information disclosed in this announcement. The final results of the Company for the Reporting Period and other operating details of the Group will be disclosed in the interim results announcement of the Company for the Reporting Period, which is expected to be released by the end of August 2026.

Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.
