# POSITIVE PROFIT ALERT

This announcement is made by EGL Holdings Company Limited (the "**Company**", and together with its subsidiaries, the "**Group**") pursuant to Rule 13.09(2) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the "**Listing Rules**") and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board of directors of the Company (the "**Board**") wishes to inform the shareholders of the Company (the "**Shareholders**") and potential investors that, based on information currently available to the Board, it is expected that the Group will record an unaudited consolidated net profit attributable to owners of the Company of approximately HK$29 million for the six months ended 30 June 2026 (the "**Period**"), representing an increase of approximately 383% as compared to an unaudited consolidated net profit attributable to owners of the Company of approximately HK$6 million for the corresponding period in 2025.

The substantial increase in net profit is mainly attributable to the continued recovery of consumer sentiment and confidence for Japan-bound travel since the debunking of the unfounded earthquake rumours, which circulated extensively in the first half of 2025 and negatively impacted the Group's performance in the corresponding period in 2025. In addition, driven by the continuous depreciation of the Japanese yen, demand for the Group's travel products and services was further bolstered. As a result, despite the complex and challenging business environment created by persistent global economic uncertainties, escalating geopolitical tensions and rising oil prices, there was a substantial increase in revenue and gross profit for the Group's travel related business during the Period. Notwithstanding a decline in the revenue and gross profit of the Group's hotel business caused by the conclusion of the 2025 Osaka-Kansai Expo and increasingly fierce industry competition, the Group achieved a substantial increase in net profit for the Period.

The information contained in this announcement is only based on the information available to the Board up to the date of this announcement and the preliminary assessment by the Company's management with reference to the unaudited consolidated management accounts of the Group for the six months ended 30 June 2026. Such information has not been finalised, audited or reviewed by the Company's independent auditor, and has not been reviewed or confirmed by the audit committee of the Board, and is thus subject to change. Shareholders and potential investors are advised to refer to the details in the results announcement of the Company for the six months ended 30 June 2026, which is expected to be published in late August 2026.

**Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.**
