PROFIT ALERT
REDUCTION IN LOSS

This announcement is made by Solargiga Energy Holdings Limited (the "**Company**", together with its subsidiaries, the "**Group**") pursuant to Rule 13.09(2)(a) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the "**Listing Rules**") and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the "**Board**") of directors (the "**Directors**") of the Company wishes to inform the shareholders of the Company (the "**Shareholders**") and potential investors that, based on the preliminary review of the unaudited consolidated management accounts of the Group (the "**Management Accounts**") for the six months ended 30 June 2026 (the "**Reporting Period**"), the Group is expected to record an unaudited loss attributable to owners of the parent with an amount ranging from approximately RMB50 million to approximately RMB65 million for the Reporting Period as compared to the loss attributable to owners of the parent of approximately RMB109 million for the corresponding period in 2025.

To the best of the Directors' knowledge, having made reasonable enquiries, the reduction in the expected loss for the Group during the Reporting Period was mainly due to the following factors: (1) an increase in revenue and a turnaround from gross loss to gross profit; and (2) a decrease in impairment losses on financial and contract assets. The Group will enhance the efforts in increasing its operational efficiency and strictly control its costs. The Board and management are confident in the Company's long-term development.

The Company is still in the process of preparing and finalising the interim results of the Group for the Reporting Period. The information contained in this announcement is only based on the preliminary assessment by the Board on the Management Accounts for the Reporting Period and other information currently available to the Board, which have not been confirmed or reviewed by the Company's auditors or the audit committee of the Company, and is subject to final adjustments and amendments (if any). Actual results of the Group may be different from what is disclosed in this announcement.

Details of the interim results announcement of the Group for the six months ended 30 June 2026 will be published by the Company within the timeframe stipulated under the Listing Rules. Shareholders and potential investors are therefore advised to read carefully the interim results announcement of the Company.

Shareholders and potential investors are advised to exercise caution when dealing in the securities of the Company.
