POSITIVE PROFIT ALERT AND DATE OF BOARD MEETING

POSITIVE PROFIT ALERT

This announcement is made by LX Technology Group Limited (the "**Company**" and, together with its subsidiaries, the "**Group**") pursuant to Rule 13.09(2)(a) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the "**Listing Rules**") and the Inside Information Provisions (as defined under the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the "**Board**") of directors (the "**Directors**") of the Company wishes to inform the shareholders of the Company (the "**Shareholders**") and potential investors that, based on the Board's preliminary review of the unaudited consolidated management accounts of the Group for the six months ended 30 June 2026 (the "**Period**") and other information currently available to the Board, the Group is expected to record a substantial increase in net profit to approximately RMB20.0 million for the six months ended 30 June 2026, representing an increase of approximately 300.0% as compared to approximately RMB4.9 million for the corresponding period in 2025. The Group is also expected to record a significant increase in gross profit of not less than 75% to approximately RMB180.0 million for the six months ended 30 June 2026, as compared to approximately RMB101.9 million for the corresponding period in 2025.

The notable improvement in the Group's financial performance was primarily attributable to the rapid growth of its device lifecycle management solutions business relating to computing power infrastructure. The business provides dedicated and scalable computing capacity to customers, particularly those with the needs for artificial intelligence ("**AI**") and other computing-intensive applications.

The Group believes that the strategic adjustment of its business portfolio and the expansion of its computing power related products and services have enhanced operational efficiency, improved profitability and strengthened the Group's long-term growth potential.

The Board and the management of the Company remain confident in the Group's business development and long-term prospects. We believe that the continued advancement and commercialisation of AI, together with the growing demand for computing capacity and related digital infrastructure, will continue to create attractive opportunities for the Group. Against this backdrop, the Group will continue to closely monitor evolving market trends, strengthen its computing power capabilities and optimise its business portfolio towards higher-margin and value-added service offerings with greater long-term development potential. Building on the positive momentum achieved during the Period, the Group is committed to pursuing sustainable growth, enhancing operational efficiency and creating lasting value for its Shareholders and potential investors.

As at the date of this announcement, the Company is in the process of finalising the consolidated interim results of the Group for the Period. The information contained in this announcement is based on a preliminary review by the Board and the management of the Company of the unaudited consolidated management accounts of the Group for the Period and other information currently available to the Board, which have not been audited or reviewed by the independent auditor of the Company nor reviewed by the audit committee of the Company, and may be subject to change. Shareholders and potential investors are advised to read carefully the interim results announcement of the Company for the Period, which is expected to be released on 27 August 2026.

DATE OF BOARD MEETING

The Board hereby announces that a meeting of the Board will be held on Thursday, 27 August 2026, for the purpose of, among other matters, considering and approving the interim results of the Group for the Period and its publication, considering the recommendation of payment of an interim dividend (if any) and transacting any other business.

Shareholders and potential investors are advised to exercise caution when dealing in the securities of the Company.

By order of the Board
LX Technology Group Limited
Hu Zuoxiong
Chairman
