VOLUNTARY ANNOUNCEMENT
BUSINESS UPDATE ON GLOBAL EXPANSION STRATEGY
GRANT OF DISTRIBUTION RIGHTS FOR SOUTHEAST ASIAN AND
MIDDLE EASTERN MARKETS TO A MALAYSIAN COMPANY

Following the attainment of Malaysian halal certification for certain water products of the Group, the Group's global expansion strategy has made new progress. On 19 August 2026, the Group entered into the Distribution Agreement with a Malaysian company, granting it exclusive distribution rights in respect of 5100 Tibet Spring Glacier Mineral Water products in Malaysia and non-exclusive distribution rights for sales to certain Southeast Asian and Middle Eastern export markets.

The cooperation will lay the foundation for the Group's products to enter high-end drinking water markets with immense growth potential such as Southeast Asia and the Middle East, thereby enhancing the brand's influence and competitiveness in the international market. The Group will continue to capture overseas opportunities and accelerate overseas market expansion.

This announcement is made by 5100 Xizang Glacier Company Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) on a voluntary basis to keep the shareholders and potential investors of the Company informed of the latest business development of the Group.

The board of directors of the Company is pleased to announce that, following the attainment of Malaysian halal certification for certain water products as disclosed in the voluntary announcement dated 29 May 2026, the Group's global expansion strategy has made new progress. On 19 August 2026, Carry Rich Investment Limited ("**Carry Rich**") (a wholly-owned subsidiary of the Company) and Landmark Holding Sdn. Bhd. (the "**Distributor**"), a limited company incorporated in Malaysia, entered into a distribution agreement (the "**Distribution Agreement**"), granting the Distributor exclusive distribution rights in respect of 5100 Tibet Spring Glacier Mineral Water products (the "**Products**") in Malaysia and non-exclusive distribution rights for sales to certain Southeast Asian and Middle Eastern export markets.

Distribution Agreement

Exclusive Distribution Rights in Malaysia

Carry Rich has granted exclusive distribution rights in Malaysia to the Distributor, who shall be the sole authorized distributor, importer and brand operator for the Products in the Malaysian market.

Non-Exclusive Distribution Rights in Southeast Asian and Middle Eastern Export Markets

Carry Rich has granted the Distributor non-exclusive distribution rights to sell the Products to certain Southeast Asian and Middle Eastern export markets (including Singapore, Indonesia, Qatar, the Kingdom of Saudi Arabia, and the United Arab Emirates). Sales by the Distributor in the above export markets shall be conducted through its own commercial networks.

Market Support Package

The Group will provide the Distributor with market support to assist with brand promotion and market development within Malaysia (including but not limited to online and offline promotional activities and sponsorships for various events).

Cooperation Term

The initial term of cooperation is three years from the date of the Distribution Agreement, which will automatically renew for 3 years if the Distributor meets certain performance targets.

Reasons for and Benefits of the Cooperation

The Group has been exploring opportunities to expand the international presence of its premium glacier mineral water products. Under this strategic direction, the Group has set its sights on several high-end drinking water markets with immense growth potential, including Southeast Asia and the Middle East, which offer vast opportunities driven by their large consumer bases, rapid economic development and a rising demand for premium beverages.

The Distribution Agreement represents another milestone in the Group's global expansion strategy. The cooperation project aims to deepen the Malaysian market layout, achieve nationwide coverage in Malaysia, and subsequently expand into Singapore, Indonesia and the Middle East (Qatar, the Kingdom of Saudi Arabia, and the United Arab Emirates) to become a key participant in the markets of Southeast Asia and the Middle East. The cooperation will lay the foundation for the Group's products to enter high-end drinking water markets with immense growth potential. The Group will continue to capture overseas opportunities, accelerate overseas market expansion, enhance the brand's global brand influence, and gradually establish a business framework featuring dual domestic and international circulation.
