SUPPLEMENTAL ANNOUNCEMENT IN RELATION TO THE AGM CIRCULAR

Reference is made to the circular of Seven Elements Investment Holdings Limited (the “**Company**”) dated 31 July 2026 (the “**AGM Circular**”). Unless otherwise defined, capitalised terms used herein shall have the same meanings as those defined in the AGM Circular.

The Company would like to provide the following supplemental information regarding the AGM Circular.

RE-APPOINTMENT OF AUDITOR

Grant Thornton Hong Kong Limited (“**Grant Thornton**”) will retire as the auditor of the Company (the “**Auditor**”) at the AGM and, being eligible, offer itself for re-appointment. Upon the recommendation of the audit committee of the Company, the Board proposed to pass an ordinary resolution at the AGM for the re-appointment of Grant Thornton as the auditors of the Company to hold office from the conclusion of the AGM until the next annual general meeting of the Company and to authorise the Board to fix the remuneration of Grant Thornton for the year ending 31 March 2027.

The estimated audit fee payable to Grant Thornton for the audit of the consolidated financial statements of the Company and its subsidiaries for the financial year ending 31 March 2027 is expected to be approximately HK\$1.4 million to HK\$1.6 million (FY2026: HK\$1.3 million) (exclusive of out-of-pocket expenses). Such fee has been determined after due consideration and arm’s length negotiations between the Company and Grant Thornton, taking into account, among other things, historical audit fees, market rates, expected increase in the scope of work due to the expansion of the scale of the Group’s business during the year ending 31 March 2027 as a result of potential acquisition matters, expansion of existing business and new revenue streams, and audit schedule of the Company. The estimated audit fee also assumes that there will be no material change in the accounting policies during the financial year, and that the Company will provide timely and adequate assistance and information as reasonably required for the purposes of the audit. The Board considers that the estimated audit fee agreed with Grant Thornton is fair and reasonable.

Unless there is a material change in the basis and assumptions set out above, the final audit fee should not deviate materially from the estimated amount initially disclosed. In the event of any material change, the Company will make further disclosure as appropriate.

The above supplemental information does not affect other information contained in the AGM Circular and save as disclosed above, all other information therein remains unchanged.

By Order of the Board
