POSITIVE PROFIT ALERT

This announcement is made by FAR International Holdings Group Company Limited (the "**Company**", together with its subsidiaries, the "**Group**") pursuant to Rule 13.09(2)(a) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the "**Listing Rules**") and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the "**Board**") of directors (the "**Directors**") of the Company wishes to inform the shareholders of the Company (the "**Shareholders**") and potential investors that, based on a preliminary assessment on the unaudited consolidated management accounts of the Group for the six months ended 30 June 2026 (the "**Period**") and the information currently available to the Board, the Group expects to record:

(i) revenue of approximately RMB1.3 billion to RMB1.7 billion for the Period, representing an increase of approximately 61% to 110% as compared with approximately RMB0.8 billion for the corresponding period in 2025, primarily attributable to the acquisition of subsidiaries in the United States and an increase in revenue from freight forwarding services driven by higher business volumes from the Group's major customer; and

(ii) results attributable to owners of the Company are expected to range from a profit of not more than RMB15 million to a loss of not more than RMB5 million for the Period, as compared to a loss attributable to owners of the Company of approximately RMB14 million for the corresponding period in 2025. The turnaround (or decrease in loss) was mainly attributable to the increase in revenue, together with a decrease in impairment losses on trade and other receivables and goodwill. Such positive effects were partially offset by a decrease in gross profit margin resulting from a higher proportion of revenue generated from freight forwarding services, which generally carry lower gross profit margins.

This announcement is solely based on the preliminary assessment on the information currently available to the Board and the unaudited consolidated management account of the Group for the Period, which have not been reviewed by the Company's auditor or confirmed by the audit committee of the Company. Therefore, actual results of the Group for the Period may be different from the information contained in this announcement. Shareholders and potential investors shall read the interim results announcement of the Group for the Period for details on the Group's performance, such announcement is expected to be published on 26 August 2026.

Shareholders and potential investors are advised to exercise caution when dealing in shares of the Company.
