This announcement is made by Digital Hollywood Interactive Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09(2)(a) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited and the Inside Information Provisions under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board of directors (the “**Board**”) of the Company wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that based on preliminary assessment of the unaudited consolidated management accounts of the Group for the six months ended 30 June 2026 (the “**Relevant Period**”) and information currently available to the Company, unaudited loss attributable to owners of the Company for the Relevant Period is expected to increase by approximately USD1.7 million to USD1.9 million as compared with the corresponding period in 2025.

Based on the information currently available, the Board considers the increase in unaudited loss attributable to the owners of the Company for the Relevant Period was mainly due to the following reasons: (i) due to the net exchange losses resulting from exchange rate fluctuations and (ii) due to higher IT and employee costs.

The information contained in this announcement is only based on the preliminary assessment by the management of the Company with reference to the unaudited consolidated management accounts of the Group and the information currently available, and is not based on any financial figures and/or information which have been audited, verified or reviewed by the auditor or the audit committee of the Company. The interim results announcement of the Company for the six months ended 30 June 2026 is expected to be published in late August 2026.
