The board of directors (the "**Board**") of the Company wishes to inform the shareholders and potential investors of the Company that, based on a preliminary review of the unaudited consolidated management accounts of the Group for the six months ended June 30, 2026 (the "**1H26 Results**") and the management's preliminary assessment of the same, the Group is expected to record (i) revenue of approximately RMB405 million to RMB420 million for the six months ended June 30, 2026, representing an increase of approximately 5.9% to 9.9% as compared with the revenue of approximately RMB382.3 million for the six months ended June 30, 2025; and (ii) net profit of approximately RMB4.2 million to RMB4.6 million for the six months ended June 30, 2026, representing a decrease of approximately 55.1% to 59.0% as compared with the net profit of approximately RMB10.3 million for the six months ended June 30, 2025.

The increase in the Group's revenue from the six months ended June 30, 2025 to the six months ended June 30, 2026 was mainly due to the Company's efforts in the development of online games publishing service business, which led to the increase in its revenue. The decrease in the Group's net profit from the six months ended June 30, 2025 to the six months ended June 30, 2026 was mainly due to (i) the increase in the selling and distribution expenses as a result of the increased efforts in the promotion of the gaming products; and (ii) the increase in the expenses on the artificial intelligence computing power.

As the Company is in the course of finalizing the 1H26 Results, information contained in this announcement regarding the estimated financial results of the Group for the six months ended June 30, 2026 is only based on a preliminary assessment by the management of the Company with reference to the information currently available to the Company, and is not based on any figure or information audited or reviewed by the Company's independent auditors or reviewed by the audit committee of the Board, and may therefore be subject to changes.
