PROFIT WARNING

This announcement is made by Guan Chao Holdings Limited (the "**Company**", together with its subsidiaries, the "**Group**") pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the "**Listing Rules**") and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the "**Board**") of directors of the Company (the "**Directors**") wishes to inform the shareholders of the Company (the "**Shareholders**") and potential investors that, based on the preliminary assessment of the unaudited consolidated management accounts of the Group for the six months ended 30 June 2026 (the "**PE2026**") and the information currently available to the Company, the Group is expected to record a consolidated loss after taxation of not less than approximately S$11.0 million for the PE2026, representing a substantial increase as compared with the consolidated loss after taxation of approximately S$1.9 million recorded for the corresponding period in 2025.

The expected increase in the consolidated loss after taxation was mainly attributable to (i) an increase in selling and distribution expenses; (ii) an increase in general and administrative expenses; (iii) a fair value loss on financial assets at fair value through profit or loss, which was partially offset by an increase in gross profit for the PE2026.

The information contained in this announcement is only based on the Board's preliminary assessment of the unaudited consolidated management accounts of the Group and the information currently available to the Company, which financial figures or information have neither been audited or reviewed by the auditors of the Company, nor been approved by the audit committee of the Company. The results announcement of the Group for the PE2026 is expected to be published by the Company within the timeframe as stipulated under the Listing Rules.

Shareholders and potential investors of the Company are advised to exercise caution when dealing in the shares of the Company.
