The board (the "**Board**") of directors (the "**Director(s)**") of the Company wishes to inform the shareholders and potential investors of the Company that, based on the preliminary review of the unaudited consolidated management accounts of the Group for the six months ended 30 June 2026 (the "**Period**") and other information currently available to the Board, the Group is expected to record a consolidated profit for the Period of not more than approximately HK$30.0 million, representing a turnaround as compared to an unaudited consolidated loss for the period of approximately HK$48.7 million for the corresponding period in 2025.
