POSITIVE PROFIT ALERT

This announcement is made by Lap Kei Engineering (Holdings) Limited (立基工程(控股)有限公司) (the "**Company**", together with its subsidiaries, the "**Group**") pursuant to Rule 13.09(2) of the Rules Governing the Listing of Securities ("**Listing Rules**") on The Stock Exchange of Hong Kong Limited and the Inside Information Provisions (as defined under the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Cap. 571 of the Laws of Hong Kong).

The board of directors of the Company (the "**Board**") wishes to inform the shareholders of the Company (the "**Shareholders**") and potential investors that, based on preliminary assessment of the Group's unaudited consolidated management accounts for the six months ended 30 June 2026 (the "**Interim Period 2026**") and other information currently available to the Board, the Group expects to record a net profit ranging between approximately HK$5.0 million and HK$5.5 million for the Interim Period 2026, representing a significant increase as compared to the net profit of approximately HK$0.5 million recorded for the six months ended 30 June 2025. Such increase was mainly attributable to the increase in gross profit during the Interim Period 2026 as a result of a decrease in the cost of revenue.

The information contained in this announcement represents only a preliminary assessment by the Board based on information currently available to it, including the unaudited consolidated management accounts of the Group for the Interim Period 2026, which have neither been audited nor reviewed by the Company's auditor, nor have they been reviewed by the audit committee of the Company. As at the date of this announcement, the Company is in the process of finalising the interim results of the Group for the Interim Period 2026 (the "**Interim Results**"), which are subject to adjustments and may differ from the information disclosed in this announcement. The announcement of the Interim Results is scheduled to be published on 28 August 2026. Shareholders and potential investors are advised to pay attention to and read carefully the Interim Results when it is published.
