PROFIT WARNING

This announcement is made by Congyu Intelligent Agricultural Holdings Limited (the "**Company**", together with its subsidiaries, the "**Group**") pursuant to Rule 13.09(2)(a) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited and the Inside Information Provisions under Part XIVA of the Securities and Futures Ordinance (Cap. 571 of the Laws of Hong Kong).

The board (the "**Board**") of directors (the "**Directors**") of the Company wishes to inform the shareholders of the Company and potential investors that, based on the preliminary assessment of the Group's unaudited consolidated management accounts for the six months ended 30 June 2026 (the "**Reporting Period**") and all information currently available to the Board, the Group is expected to record a net loss attributable to owners of the Company of approximately HK$9.7 million for the Reporting Period, as compared with a net profit attributable to owners of the Company of approximately HK$1.3 million for the six months ended 30 June 2025.

The turnaround from net profit to net loss attributable to owners of the Company was mainly attributable to (i) the decrease in gross profit of approximately HK$2.4 million; (ii) the decrease in the net reversal of impairment losses on trade and other receivables of approximately HK$9.2 million; and (iii) the increase in finance costs of approximately HK$6.3 million. The above effects were partially offset by the decrease in administrative and other expenses of approximately HK$6.7 million.

The information contained in this announcement is based only on a preliminary assessment by the Board with reference to the unaudited consolidated management accounts of the Group and the information currently available to the Board, and has not been reviewed or audited by the auditor of the Company or reviewed by the audit committee of the Company. The information may be subject to adjustments as the Company is still in the process of preparing and finalising the Group's unaudited consolidated interim results for the Reporting Period. Details of the Group's financial results and performance for the Reporting Period will be disclosed in the interim results announcement of the Company, which is expected to be published on 31 August 2026.

Shareholders of the Company and potential investors are reminded to exercise caution when dealing in the shares or other securities of the Company.

By order of the Board
