The English and Chinese versions of the HKEX 2026 Interim Report are now available in the Investor Relations (Regulatory Disclosure / Regulatory Reports) section of the HKEX Group website (www.hkexgroup.com) and on the HKEXnews website (www.hkexnews.hk). Online Request Form

HKEX disseminates its Corporate Communications electronically through the HKEX Group website and the HKEXnews website. HKEX will only send Corporate Communication(s) in printed form to Shareholders upon their request or, where in the case of Actionable Corporate Communications ^(Note 1), a Shareholder has not provided a valid and functional email address to HKEX.

You are recommended to access the English and/or Chinese version(s) of HKEX's Corporate Communications through the relevant links provided in the Investor Relations (Regulatory Disclosure) section of the HKEX Group website or through browsing the HKEXnews website under HKEX's stock code “388” or “80388”.

Shareholders who wish to be notified when HKEX publishes its Corporate Communications on the HKEX Group website may register for the News Alerts service in the Market Data section of the HKEX Market website (www.hkex.com.hk) or submit their request for receiving email notification of the publication by providing their email address to HKEX.

You are recommended to provide an email address to HKEX for receiving HKEX's Actionable Corporate Communication(s) electronically pursuant to the Listing Rules. If you have not provided an email address to HKEX or your email address provided is not valid or functional, HKEX will send Actionable Corporate Communication(s) in printed form to your address as it appears in HKEX's register of members maintained by HKEX's registrar, Computershare Hong Kong Investor Services Limited (“Registrar”).

You may submit your email address by completing and submitting the Online Request Form via scanning the QR code above, or the Request Form ^(Note 2). Please ensure that your email address provided is valid and functional.

Request for printed or electronic version of Corporate Communication(s)

Please note that your request, if any, for receiving future Corporate Communications of HKEX in printed form will only be valid from the date of your request and until the time when HKEX publishes its next annual report in the following year, unless your instruction is earlier revoked or superseded.

Please complete and submit the Online Request Form via scanning the QR code above or the Request Form should you wish to:

- (a) request for printed version of HKEX's future Corporate Communications, or amend or cancel your prior request; or
- (b) receive a printed or electronic version of the HKEX 2026 Interim Report or specific Corporate Communication(s) after you have encountered difficulty in accessing the document(s) electronically via the HKEX Group website or the HKEXnews website.

You may at any time make, amend or cancel your request for printed version of future Corporate Communications with not less than seven days' notice in writing to the Registrar, by submitting the Online Request Form or the Request Form. HKEX will promptly upon your request send the printed or electronic version to you free of charge.

Details of the above arrangements are available in the Investor Relations (Shareholder Information / Shareholder Services) section of the HKEX Group website.

Yours faithfully

Notes:

1. Corporate Communications refer to any documents issued or to be issued by HKEX for the information or action of holders of any of its securities or the investing public, including, but not limited to, the directors' report, the annual accounts together with a copy of the auditor's report, the interim report, a notice of meeting, a listing document, a circular and a proxy form.

Actionable Corporate Communications refer to any corporate communications that seek instructions from HKEX's securities holders on how they wish to exercise their rights or make an election as HKEX's securities holders.
