VOLUNTARY ANNOUNCEMENT UPDATE ON PRODUCT DEVELOPMENT

The board of directors (the “Board”) of SSY Group Limited (the “Company”, together with its subsidiaries, the “Group”) is pleased to announce that the National Medical Products Administration of China has approved the passing of Consistency Evaluation of the Quality and Efficacy of Generic Drugs for the Group’s Diltiazem Hydrochloride Tablets (30mg), being the third of such approvals for the PRC entities. Diltiazem Hydrochloride Tablet is mainly used for treatment of angina pectoris and mild to moderate essential hypertension.

The Group has obtained the approval for drug production and registration for Diltiazem Hydrochloride for Injection. Following this approval of consistency evaluation for its tablet form, hospitals can implement inpatient emergency injections and outpatient oral continuous treatment, forming a product portfolio for ICU, cardiology and emergency departments, thereby strengthening the Group’s product capabilities in the fields of cardiovascular/cerebrovascular chronic diseases and critical care.

This announcement is a voluntary announcement made by the Company to keep the shareholders and potential investors informed of the latest business development of the Group.

By order of the Board
