VOLUNTARY ANNOUNCEMENT

LATEST BUSINESS DEVELOPMENT OF AN ASSOCIATE

This announcement is made by Capital Industrial Financial Services Group Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) on a voluntary basis to provide the shareholders and potential investors of the Company with the latest business development of an associate of the Group.

BACKGROUND

Beijing West Business Factoring Company Limited* (“**Beijing West Factoring**”), an associate of the Company, entered into a Strategic Cooperation Agreement with Shouyi Medical Health Investment Management Co., Ltd. (“**Shouyi Medical**”) in April 2026. Pursuant to the agreement, Beijing West Factoring will serve as the exclusive partner of Shouyi Medical in the field of medical supply chain factoring financing services. Leveraging the complementary strengths of industrial ecosystems, both parties will focus on medical supply chain scenarios, use factoring financing services as a link to establish an integrated medical supply chain service system, and innovate supply chain products and models, facilitating the upgrade of the entire medical supply chain.

DEVELOPMENT PROGRESS UNDER THE STRATEGIC COOPERATION AGREEMENT

The board of directors of the Company (the “**Board**”) is pleased to announce that, as at the date of this announcement, Beijing West Factoring has granted Shouyi Medical a credit facility of up to RMB200 million for medical supply chain financing projects. Leveraging such credit facility, both parties expect the demand for growth in factoring business to further expand throughout the year, laying a solid foundation for the deepening business cooperation.

The Board firmly believes that, as the digital transformation of the industry advances, the medical supply chain increasingly demands highly efficient capital turnover and process optimisation and upgrading. The exclusive cooperation between the Group and Shouyi Medical represents an important practice in the deep integration of the physical medical industry and professional supply chain services:

1. Deepening industry-finance collaboration: Combining the industrial resources of Shouyi Medical with the supply chain service capabilities of Beijing West Factoring effectively empowers the high-quality development of the healthcare industry.
2. Expanding business scenarios: It will assist Beijing West Factoring in further penetrating the medical supply chain sector, broadening the scale of its factoring business and enhancing its market competitiveness.
3. Enhancing long-term value: Through innovative supply chain products, it will inject sustainable development momentum into the healthcare industry, and is expected to have a positive impact on the operating results of Beijing West Factoring, thereby creating long-term value for the Group and its shareholders.

INFORMATION ON THE PARTIES

Beijing West Factoring (an associate of the Company): a fully licensed professional commercial factoring institution with several years' experience in supply chain finance. It has established mature capabilities in accounts receivable financing, risk control and management, and whole supply chain services, and is capable of providing professional and diversified factoring services.

Shouyi Medical: a leading medical and healthcare industry investment and management platform in the PRC, with an industry presence covering diversified scenarios, including general hospitals, specialised medical institutions and health management institutions. It possesses economies of scale on the procurement side for core categories such as pharmaceuticals, medical consumables and medical devices, and has established a well-qualified, stable and collaborative upstream supplier matrix with nationwide coverage.

WARNING STATEMENT

Shareholders and potential investors of the Company are advised to exercise caution when dealing in the shares of the Company.
