**VOLUNTARY ANNOUNCEMENT
MEMORANDUM OF UNDERSTANDING ENTERED WITH
KEY ASIC BERHAD**

This announcement is made by CT Vision (International) Holdings Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) on a voluntary basis to provide the shareholders (the “**Shareholders**”) and potential investors of the Company with an update on the recent business development of the Group.

MEMORANDUM OF UNDERSTANDING

The board (the “**Board**”) of directors (the “**Directors**”) of the Company is pleased to announce that on 3 September 2026, the Company entered into a memorandum of understanding (the “**Memorandum**”) with Key ASIC Berhad (“**KEY ASIC**”), a company listed on Bursa Malaysia.

Pursuant to the Memorandum, the Company and KEY ASIC will explore potential collaboration relating to the construction and operation of a green AI data centre (the “AIDC”) in Malaysia (the “**Proposed Collaboration**”). The AIDC is preliminarily planned to have approximately 300 MW aggregate IT load capacity, and the projected Power Usage Effectiveness (the “PUE”) for the AIDC will not exceed 1.2, while the consumption of green energy, including but not limited to wind power, photovoltaic power, biomass and other green energy, by the AIDC at a proportion of, in principle, not less than 50%.

The Memorandum reflects the preliminary cooperation intent of the parties, and it does not create any legally binding obligations on the Company and KEY ASIC in relation to the Proposed Collaboration.

INFORMATION ABOUT KEY ASIC

KEY ASIC is a public limited company, incorporated and domiciled in Malaysia, and listed on the Main Market of Bursa Malaysia Securities Berhad (stock code: 0143.KL). The principal activities of KEY ASIC are engaged in the business of turnkey ASIC (application-specific integrated circuit) design services, providing data processing, data management, disk-based back-up solutions, telecommunications, office automation, network infrastructure and intelligent storage network support.

REASONS AND BENEFITS OF THE MEMORANDUM

The Group has rich experience in renewable energy development and construction, and has accumulated expertise in new energy and energy-saving technologies. The proposed collaboration may provide the Group with an opportunity to expand its involvement in the construction of the AIDC by leveraging its experience and expertise in green energy and construction engineering (including the potential application of its new energy technologies and engineering capabilities to the development, construction, and operation of the infrastructure of the AIDC), thereby achieving complementarity of the resources and capabilities of the contracting parties.

In light of the above reasons and benefits, the Board considers that the entering into of the Memorandum is in the interests of the Group and its shareholders.

GENERAL

As at the date of this announcement, no legally binding agreement has been entered into. As such, the Proposed Collaboration may or may not materialize. Further announcement(s) will be made by the Company as and when appropriate in compliance with the Rules Governing the Listing of Securities of The Stock Exchange of Hong Kong Limited.

Shareholders and potential investors of the Company are advised to exercise caution when dealing in the securities of the Company.
