VOLUNTARY ANNOUNCEMENT AND BUSINESS UPDATE ARTIFICIAL INTELLIGENCE DATA CENTRE PROJECT PROGRESS ANNOUNCEMENT

This announcement is made by Deep Source Holdings Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) on a voluntary basis to update the shareholders and potential investors of the Company on the Group’s latest business development.

On 7 September 2026, the artificial intelligence data centre (AIDC) project of the Company officially received approval from Malaysia’s Ministry of Investment, Trade and Industry (MITI), marking significant progress for the project.

The approval is subject to certain water and electricity supply conditions, which our team is actively working on and gradually fulfilling.

This approval marks that the AIDC project has entered an accelerated development phase. The Company’s management will accelerate the progress of all related work, striving to commence construction as soon as possible and achieve early completion and operation.

Building on the steady development of its traditional businesses, the Company will continue to drive strategic transformation in the AI infrastructure and lithium value chain operations, providing new growth momentum for the Group’s future development.

The Company will make further announcements on material developments of the AIDC project as and when appropriate. Shareholders and potential investors of the Company are advised to exercise caution when dealing in the securities of the Company.
