THE DISPOSAL

The Board announces that on 7 September 2026, the Company disposed of 29,580,000 BFB Health Shares to the Purchaser for a consideration of HK\$12.7 million (exclusive of transaction costs). The average selling price per BFB Health Share (exclusive of transaction costs) was approximately HK\$0.43.

Upon completion of the Disposal, the Company has ceased to hold any BFB Health Shares.

LISTING RULES IMPLICATIONS

As the highest applicable percentage ratio (as defined under the Listing Rules) of the Disposal on an aggregated basis exceeded 5% but was lower than 25%, the Disposal, on an aggregated basis, constituted a discloseable transaction of the Company under Chapter 14 of the Listing Rules and was subject to the reporting and announcement requirements under Chapter 14 of the Listing Rules.

THE DISPOSAL

The Board announces that on 7 September 2026, the Company disposed of 29,580,000 BFB Health Shares to the Purchaser for a consideration of HK\$12.7 million (exclusive of transaction costs). The consideration for the Disposal was settled in cash upon completion. The average selling price per BFB Health Share (exclusive of transaction costs) for the Disposal was approximately HK\$0.43, which represented (i) discount of approximately 24.56% to the closing price per BFB Health Share as at the date of the Disposal; and (ii) discount of approximately 19.93% to the average closing price per BFB Health Share for the five consecutive trading days prior to the Disposal.

Upon completion of the Disposal, the Company has ceased to hold any BFB Health Shares.

To the best of the Directors' knowledge, information and belief, having made all reasonable enquiries, the Purchaser is an Independent Third Party to the Company.

REASONS FOR AND BENEFITS OF THE DISPOSAL

The investments in listed securities are regarded as part of a diversified and long-term portfolio, with the objective of generating additional returns and strengthening the Group's balance sheet. The Disposal was undertaken by the Group after taking into account, among other things, the following factors: (i) the recent market price performance and trading liquidity; (ii) factors such as capital market volatility, the macroeconomic environment and industry outlook; and (iii) the Group's intended realization strategy and overall investment returns from the relevant investment and risk management considerations.

The Board is of the view that the Disposal would enable the Group to (i) realise the investment in BFB Health in a timely manner, thereby securing investment gains, mitigating the risk of fluctuations in its holdings and enhancing asset liquidity; (ii) optimise the Group's securities investment portfolio and asset allocation and enhance the efficiency of capital turnover; (iii) increase the Group's cash reserves, thereby improving the overall efficiency of capital utilisation and the overall returns to shareholders.

The Directors, including the independent non-executive Directors, consider that the terms of the Disposal are fair and reasonable, the Disposal was conducted on normal commercial terms and the Disposal is in the interests of the Company and the Shareholders as a whole. The terms and considerations for the Disposal was agreed between the Company and the Purchaser on an arm's length basis and under normal commercial terms. In arriving at these terms, the parties took into account: (i) the Company's financial position; (ii) the investment costs of approximately HK\$7.5 million incurred in acquiring the BFB Health Shares; (iii) the potential returns arising from the Disposal; (iv) the business operations and financial performance of BFB Health; (v) prevailing market conditions; and (vi) the market price and trading volume of the BFB Health Shares..

FINANCIAL EFFECT OF THE DISPOSAL AND USE OF PROCEEDS

The Group received proceeds of HK\$12.7 million from the Disposal and will, subject to the final audit by the auditor of the Company, recognise a realised loss of approximately HK\$7.1 million, being the difference between the consideration received from the Disposal, before deduction of transaction costs, and the carrying amount of the 29,580,000 BFB Health Shares of HK\$19.8 million as at 31 December 2025. The actual amount of gain or loss arising from the Disposal is subject to review and final audit by the auditor of the Company.

The proceeds from the Disposal are intended to be used as the Group's general working capital and funding for future investments. The proceeds from the Disposal is expected to be fully utilized before 31 December 2026.
