III. SPECIAL NOTICE

1. The above disclosure only includes the sales of market hogs and yellow-feathered broilers of the Group, excluding other businesses.
2. Please note that all figures above are unaudited and have not been confirmed by the auditor of the Company and may be subject to adjustment and final confirmation.
3. The continued impact of animal epidemics on the pig and poultry industry and the significant fluctuations, whether downward or upward, in the market prices of pig and poultry products may all have a material impact on the Group's operating results. Moreover, such risks are systemic to the pig and poultry farming industry and represent objective and uncontrollable external risks for any pig and poultry producer.

Shareholders and potential investors of the Company are advised to exercise caution when dealing in the shares of the Company and be aware of investment risks.

By order of the Board
Dekon Food and Agriculture Group
四川德康農牧食品集團股份有限公司
