VOLUNTARY ANNOUNCEMENT

OBTAINING EU MDR CERTIFICATION AND PRODUCT REGISTRATION APPROVALS IN MULTIPLE OVERSEAS MARKETS

This announcement is made by Star Sports Medicine Co., Ltd. (the “**Company**”, together with its subsidiaries, collectively the “**Group**”) on a voluntary basis, for the purpose of providing the shareholders and potential investors of the Company with the latest information of the Group.

The board of directors of the Company (the “**Board**”) is pleased to announce that the Company has recently received the EU Medical Device Regulation (CE MDR) certificate, making it the first sports medicine manufacturer in China to obtain CE MDR certification for its full line of products. The aforementioned certificate covers 15 categories of products, including All-Suture Anchors, Suture Buttons, continuous suture multi-needle meniscus, Metal Suture Anchors, PEEK Suture Anchors, carbon fiber composite suture anchors, PEEK Interference Screw Systems, titanium Suture Buttons, Non-absorbable Surgical Sutures, Spiked Ligament Staples, disposable Shaver Blades, Plasma Surgical System Generator, Sterile Disposable Plasma Surgical Electrodes, Arthroscopic Access Cannulas, and Arthroscopic Surgical Instruments. The above products include implants, active devices and consumables, and endoscopic surgical instruments, which can provide overall clinical solutions for the six major joints of shoulder, knee, hip, elbow, wrist and ankle.

At the same time, the product registration applications submitted by the Company in countries including the United Kingdom, Australia, Brazil, Singapore, Malaysia, and Thailand for products such as plasma surgical equipment and electrodes, all-suture anchors, and suture products have been successively approved, and the registration certificates issued by the respective local competent authorities have been obtained.

The obtaining of the above certification and registration certificates signifies that more products of the Company comply with the regulatory requirements of the European Union and the abovementioned countries, which will facilitate the Company's further expansion of its overseas business layout in the European Union, Latin America and Southeast Asia, and further enhance the Company's competitiveness and product layout in the international market.

Shareholders and potential investors of the Company are advised to exercise caution when dealing in the shares of the Company.
