VOLUNTARY ANNOUNCEMENT

This announcement is made by Q Technology (Group) Company Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) on a voluntary basis.

The board (the “**Board**”) of directors (the “**Director(s)**”) of the Company wishes to announce that the sales volume of major products of the Group and Kunshan Q Tech Microelectronics (India) Private Limited (“**Q Tech India**”), a joint venture of the Company, in August 2026 is as follows:

I. The Sales Volume of Major Products of the Group ^(Note)

Product Categories	August 2026 (’000 units)	Change Month-on- Month (“MoM”) (%)	Change Year- on-Year (“YoY”) (%)
Mobile Products	51,152	9.8	-21.3
– Camera Modules	37,846	5.3	-14.9
– Biological Recognition Modules	13,306	25.0	-35.3
Automotive Products	890	7.4	33.0
IoT Products	2,370	30.4	20.7

Note:

The Group’s major products include mobile products, automotive products and Internet of Things (IoT) products manufactured and sold by the Group, among which:

- (i) mobile products include camera modules and biological recognition modules applied in mobile phones, tablets and other products;
- (ii) automotive products include camera modules, LiDAR products and other related products applied in automotive sector; and
- (iii) IoT products include camera modules, LiDAR products and other related products applied in IoT sector.

The YoY decrease in the sales volume of mobile products was mainly attributable to the weak demand in the smartphone market, which was impacted by rising memory prices.

The MoM and YoY increase in the sales volume of both automotive products and IoT products was mainly attributable to the significant YoY increase in sales volume of the Group's LiDAR products applied to smart vehicles and embodied robots, together with the satisfactory sales performance of products applied to handheld imaging terminals.

The sales volume of major products of the Group for the period from January to August 2026 is as follows:
