In connection with the Global Offering, CLSA Limited as stabilizing manager (the “**Stabilizing Manager**”) (or its affiliates or any person acting for it), on behalf of the Underwriters, to the extent permitted by the applicable laws and regulatory requirements of Hong Kong or elsewhere, may over-allocate or effect transactions with a view to stabilizing or supporting the market price of the Shares at such price, in such amounts and in such manners as the Stabilizing Manager, its affiliates or any person acting for it may determine and at a level higher than that which might otherwise prevail for a limited period after the Listing Date. However, there is no obligation on the Stabilizing Manager (or its affiliates or any person acting for it) to conduct any such stabilizing action. After this date, when no further stabilizing action may be taken, demand for the Shares, and therefore the price of the Shares, could fall.

APPLICATION FOR LISTING ON THE STOCK EXCHANGE

We have applied to the Listing Committee for the granting of the listing of, and permission to deal in, the Shares to be issued pursuant to the Global Offering (including Shares which may be issued pursuant to the exercise of the Over-allotment Option).

STRUCTURE OF THE GLOBAL OFFERING

The Global Offering comprises:

- the International Offering of initially 154,813,200 Offer Shares (subject to reallocation and the Over-allotment Option), representing approximately 90.0% of the total number of Offer Shares initially available under the Global Offering.

The allocation of the Offer Shares between the Hong Kong Public Offering and the International Offering will be subject to reallocation as described in the section headed “Structure of the Global Offering” in the Prospectus.

In particular, subject to the requirements under Practice Note 18 of the Listing Rules and Chapter 4.14 of the Guide For New Listing Applicants issued by the Stock Exchange (the “**Guide**”), Offer Shares may be reallocated from the International Offering to the Hong Kong Public Offering to satisfy valid applications under the Hong Kong Public Offering. In accordance with Practice Note 18 of the Listing Rules and Chapter 4.14 of the Guide, the maximum total number of Hong Kong Offer Shares following such reallocation shall not exceed 25,802,200 Offer Shares, representing approximately 15% of the number of Offer Shares initially available under the Global Offering (before any exercise of the Over-allotment Option).

If the Hong Kong Public Offering is not fully subscribed, the Overall Coordinators may reallocate all or some unsubscribed Hong Kong Offer Shares to the International Offering, in such proportions as the Overall Coordinators may, in their sole and absolute discretion, determine.

In connection with the Global Offering, the Company is expected to grant the Over-allotment Option to the International Underwriters, exercisable by the Overall Coordinators (in their sole and absolute discretion on behalf of the International Underwriters) at any time from the Listing Date until 30 days after the last day for lodging applications under the Hong Kong Public Offering, pursuant to which, the Company may be required to issue up to an aggregate of 25,802,200 additional Shares, representing no more than 15.0% of the Offer Shares initially available under the Global Offering, at the Offer Price under the International Offering to cover over-allocations in the International Offering, if any.

If the Over-allotment Option is exercised in full, the additional Offer Shares to be issued pursuant thereto will represent approximately 2.56% of the total Shares in issue immediately following the completion of the Global Offering. If the Over-allotment Option is exercised, an announcement will be made by the Company on the website of the Stock Exchange (www.hkexnews.hk) and on the Company’s website (www.ligent.com), respectively.
