On 19 August 2026, the Group has entered into a purchase contract for purchase of refined oil (the "**Purchase Contract**") with Zhuhai City Huafeng Petrochemical Company Limited* (珠海市華峰石化有限公司) ("**Zhuhai Huafeng**"), a company established in the People's Republic of China. After the Prepayment was made on 10 September 2026, the balance of prepayments to Zhuhai Huafeng amounted to approximately RMB59,098,000, representing approximately 8.6% of the Group's total assets (the "**Aggregate Prepayments**").

As the Aggregate Prepayments exceeded 8% of the Group's total assets, the Company is required to announce the details of this advance to an entity in accordance with Rules 13.13 and 13.15 of the Listing Rules.

The Aggregate Prepayments were without any interest or collateral. Upon delivery of the relevant products, the Aggregate Prepayments made by the Group would be recognised as cost of inventories. Any unutilised Prepayment will be either refunded to the Group within approximately one month or carried forward and applied to the subsequent contracts.
