## SUPPLEMENTAL ANNOUNCEMENT IN RELATION TO QUARTERLY UPDATE ON RESUMPTION PROGRESS AND CONTINUED SUSPENSION OF TRADING

This announcement is made by Ourgame International Holdings Limited (In Official Liquidation) (the "**Company**") pursuant to Rule 13.24A of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the "**Listing Rules**") and Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

Reference is made to the announcement of the Company dated 4 September 2026 in relation to the quarterly update on resumption progress (the "**Quarterly Update Announcement**"). Unless otherwise defined, capitalised terms used herein shall have the same meanings as those defined in the Quarterly Update Announcement.

## UPDATE ON THE LIQUIDATION

As disclosed in the Quarterly Update Announcement, the Joint Official Liquidators ("**JOLs**") have continued to engage with the Chairman, current and former directors, and service providers with a view to obtaining access to the Company's books and records and gaining a better understanding of the financial affairs and operations of the Group.

In response to enquiries from the JOLs, the Chairman and certain directors advised, in substance, that they do not have possession, custody or control of the Company's books and records and do not have access to the Company's information systems, personnel or day-to-day operations. Those directors further indicated that, whilst they remain willing to cooperate with the JOLs, they are not in a position to provide further documentation or independently verify certain matters in the absence of access to the relevant books and records. The Chairman and the directors have not provided any further information as to how access to the Company's books and records can be restored or accessed by the JOLs.

Following recognition of the liquidation and their appointment in Hong Kong, the JOLs have received certain additional books and records from service providers which have assisted with the JOLs' investigations.

At this stage, the JOLs are not satisfied that they have received all available books and records relating to the Group's business and operations, assets, financial and accounting matters and employees, which are necessary to understand the Group's financial affairs, asset position and operational status.

The JOLs are continuing their efforts to obtain further information and documentation relating to the Company and its subsidiaries, including through ongoing engagement and correspondence with current and former directors, and service providers who may possess relevant information or records. The JOLs will continue to assess what further steps may be appropriate to obtain access to the Company's books and records and to discharge their duties in the liquidation.

## UPDATE ON RESUMPTION GUIDANCE

As disclosed in the Resumption Guidance, the Company is required, among other matters, to conduct an appropriate independent forensic investigation and an independent internal control review.

Having regard to the Company's liquidation status, the limited books and records currently available to the JOLs, and the uncertainties surrounding any potential restructuring or resumption proposal, the JOLs have not been in a position to commence such investigation and control review at this stage.

Accordingly, as at the date of this announcement, no independent forensic investigator or independent internal control consultant has been engaged and no substantive work has been undertaken in relation to the independent forensic investigation or internal control review.

Further announcements will be made as and when there are material developments in relation to the Resumption Guidance.

## CONTINUED SUSPENSION OF TRADING

Trading in the Shares has been suspended with effect from 11:59 a.m. on Wednesday, 4 March 2026 and will remain suspended until further notice.

**Shareholders, investors and potential investors of the Company are advised to exercise caution when dealing in the securities of the Company.**
