VOLUNTARY ANNOUNCEMENT

This announcement is made by China Renaissance Holdings Limited (the "**Company**", together with its subsidiaries, the "**Group**") on a voluntary basis.

The Company is pleased to announce that CRP-Fanya Investment Consultants (Beijing) Limited ("**CRP-Fanya**"), a wholly-owned subsidiary of the Company, acting as the exclusive financial adviser, has successfully advised Beijing SiliconFlow Technology Co., Ltd. ("**SiliconFlow**") on the completion of the second phase of its Series B+ financing and its Series C financing.

The two financing rounds received support from various types of investors, including national-level funds, central and local state-backed investors, industrial capital and professional investment institutions, with follow-on investments from certain existing shareholders.

SiliconFlow is an artificial intelligence (AI) inference token supplier offering serverless token services, dedicated instances and on-premise deployment solutions. With its independent and open platform positioning, leading inference optimisation capabilities and diversified product portfolio, SiliconFlow has further scaled its commercial operations in the first half of 2026, with rapid growth in all of the above products and services and continued expansion of enterprise customers and overseas business.

The Group is honoured to have assisted SiliconFlow in completing the above financing rounds. This exclusive financial advisory engagement highlights the Group's specialized financial advisory expertise in the AI and advanced technology sectors, underpinned by its extensive reach across the AI industry value chain, and further demonstrates its continued commitment to supporting innovative high-growth enterprises in achieving their strategic and financial milestones.
