MONTHLY UPDATE ON THE STATUS OF PUBLIC FLOAT

References are made to the announcements of the Company dated August 21, 2026 and September 9, 2026 (the "**Announcements**") in relation to, among other things, the Company's non-compliance with the minimum public float requirement under Rule 13.32B of the Listing Rules. Unless otherwise defined, capitalised terms used herein shall have the same meanings as defined in the Announcements.

CURRENT PUBLIC FLOAT OF THE COMPANY

To the best of the knowledge, information and belief of the Directors, as at the date of this announcement, the public float of the Company is approximately 11.26%, which remains below the minimum public float requirement under Rule 13.32B of the Listing Rules. As the public float of the Company remains below 15% and the market value of the Shares held by the public is less than HK$500,000,000, the Company has a Significant Public Float Shortfall as defined under Rule 13.32F of the Listing Rules.

UPDATE ON RESTORATION OF PUBLIC FLOAT OF THE COMPANY

As disclosed in the Announcements, the Directors have jointly and severally undertaken to the Stock Exchange that they will take appropriate steps to ensure the Company's compliance with Rule 13.32B of the Listing Rules at the earliest possible moment.

The Company continues to consider measures to restore its public float. As at the date of this announcement, there has been no material progress in respect of such measures. The Company currently expects to restore its public float and re-comply with Rule 13.32B of the Listing Rules by the end of May 2027.

For so long as the Company remains non-compliant with Rule 13.32B of the Listing Rules, the Company will comply with the relevant disclosure requirements under the Listing Rules and refrain from taking any action which may further lower the percentage of its public float, unless the Company can demonstrate that there are exceptional circumstances.
