The board (the “**Board**”) of directors (the “**Director(s)**”) of the Company wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that, based on a preliminary assessment of the unaudited consolidated management accounts of the Group for the eighteen months ended 30 June 2026 (the “**Reporting Period**”), and the information currently available to the Board, the Group expects that the Company will record a loss attributable to the owners of the Company in the range of HK\$65.0 million to HK\$70.0 million for the Reporting Period, as compared with a loss of approximately HK\$165.1 million for the year ended 31 December 2024 (“**FY2024**”).

The information contained in this announcement is only based on the preliminary assessment by the Board with reference to the latest unaudited consolidated management accounts of the Group for the Reporting Period and other information currently available to the Company which has not been audited or reviewed by the auditors of the Company or has been confirmed by the audit committee of the Board. The information contained in this announcement may be different from the final results announcement of the Company for the Reporting Period which is expected to be published in late September 2026 in accordance with the Listing Rules.
