Pursuant to such agreement, the Company will provide contract management services to Shaanxi Hongrui for the period from 30 September 2026 to 31 May 2028.

LISTING RULES IMPLICATIONS

INTRODUCTION

References are made to the Prospectus and the announcements of the Company dated 20 November 2017, 29 November 2018, 25 November 2019, 28 November 2019, 17 September 2021, 27 September 2024, 1 July 2025, 9 September 2025, 26 September 2025, 26 December 2025, 16 April 2026, 15 May 2026 and 28 August 2026 in relation to, inter alia, the continuing connected transactions between the Group and the Associated Business Partners under the relevant Contract Management Agreements.

Term:	From 30 September 2026 to 31 May 2028

Annual Management Fee:	Fixed amount of RMB1.50 million per annum (the management fees to be accrued under the Supplemental Contract Management Agreement will be calculated on a pro-rata basis)

PRICING POLICY

The management fees for Shaanxi Hongrui are determined by the parties after arm's-length negotiation, taking into account (i) the operating area of Shaanxi Hongrui; and (ii) the prevailing market rate of management fees charged by the Group for similar shopping malls after taking into account the location and the scale of Shaanxi Hongrui. The Company considered that the annual management fees to be charged to Shaanxi Hongrui by the Group are within the range of management fees charged by the Group for similar shopping malls owned by Independent Third Parties and was of the view that the aforesaid pricing policies are comparable to and no less favourable than the management fees charged by the Group from other Independent Third Parties.

HISTORICAL TRANSACTION AMOUNTS

The total annual management fees accrued to the Group from Shaanxi Hongrui for the year ended 31 December 2025 and the six months ended 30 June 2026 are RMB1.41 million and RMB1.07 million, respectively.

SUPPLEMENTAL ANNUAL CAPS AND BASIS OF DETERMINATION

As a result of the entering into of the Supplemental Contract Management Agreement, the Board resolved to set the following annual caps in respect of the transactions with Shaanxi Hongrui under the Supplemental Contract Management Agreement:

The above annual caps were determined by the Directors after having taken into account (i) the management fees under the Existing Contract Management Agreement; (ii) the historical management fees charged by the Group under the other Contract Management Agreements; and (iii) management fees charged by the Group for similar shopping malls owned by Independent Third Parties.

As the annual caps under the Supplemental Contract Management Agreement are of the same nature as those under the other Contract Management Agreements, the Contract Management Agreements are treated as a single transaction under the Listing Rules. REASONS FOR AND BENEFITS OF THE SUPPLEMENTAL CONTRACT MANAGEMENT AGREEMENT AND REVISION OF THE ANNUAL CAPS

In line with the Company's development strategy of "asset-light and operation-heavy", the Company entered into the Supplemental Contract Management Agreement with Shaanxi Hongrui. After arm's-length negotiations between the Company and Shaanxi Hongrui, the Company decided to set the annual management fees for Shaanxi Hongrui at the prevailing market rate. The Company believes that the annual management fees for Shaanxi Hongrui are no less favorable than those charged for similar shopping malls owned by Independent Third Parties.

The Directors (including independent non-executive Directors) consider that the Supplemental Contract Management Agreement has been entered into on normal commercial terms or better and in the ordinary and usual course of business of the Group, and the transactions contemplated thereunder are fair and reasonable and in the interests of the Group and Shareholders as a whole.

INTERNAL CONTROL MEASURES

In order to ensure that the terms of the Contract Management Agreements are fair and reasonable and that the Company complies with the pricing terms of the relevant Contract Management Agreements, the Company has adopted the following internal control procedures:

- (i) the Company has designated its finance department to monitor the transaction amounts of the Contract Management Transactions;
- (ii) relevant information and materials in relation to the Contract Management Transactions will be reviewed and considered by the Company's finance department and securities department to ensure compliance with the requirements of the Listing Rules;
- (iii) the independent non-executive Directors have reviewed and will continue to review the Contract Management Transactions, to ensure that the terms of such transactions are fair and reasonable, and such transactions are entered into in the ordinary and usual course of business of the Group, on normal commercial terms or better, and in the interests of the Group and the Shareholders as a whole; and
- (iv) the auditors of the Company will conduct annual reviews on the pricing policy and annual caps for the Contract Management Transactions.

LISTING RULES IMPLICATIONS

As associates of Mr. Che and Mr. Xu, the Associated Business Partners are connected persons of the Company under the Listing Rules and the Contract Management Transactions contemplated under each of the Contract Management Agreements constitute continuing connected transactions of the Company under Chapter 14A of the Listing Rules. The Contract Management Agreements are of the same nature and were aggregated and treated as a single transaction under the Listing Rules. Accordingly, the new annual caps in respect of the Contract Management Transactions are aggregated, and such aggregate amount is used when calculating the relevant percentage ratios under Chapter 14A of the Listing Rules.

As one or more of the applicable percentage ratios for the new annual caps under the Contract Management Transactions, on an aggregated basis, exceed 0.1% but are less than 5%, in accordance with Rule 14A.76 of the Listing Rules, the Contract Management Transactions are only subject to the annual review, reporting and announcement requirements, but are exempt from the circular (including independent financial advice) and the independent Shareholders' approval requirements under Chapter 14A of the Listing Rules.

Mr. Che and Mr. Xu have abstained from voting on the Board resolution approving the new annual caps under the Supplemental Contract Management Agreement, the Contract Management Transactions and the adjustments on the overall annual caps for the Contract Management Transactions, in view of their interests in the Contract Management Transactions. Save as disclosed above, none of the Directors has any material interests in the Contract Management Agreements.
