3. General Mandate to Issue Shares

LETTER FROM THE CHAIRMAN

5. Re-appointment of Auditor

KPMG will retire as Auditor of the Company at the Annual General Meeting and, being eligible, will offer themselves for re-appointment. On the recommendation of the Audit Committee, the Board proposes that KPMG be re-appointed as Auditor of the Company to hold office until the conclusion of the next annual general meeting of the Company. The Board also proposes that it be authorised to determine the remuneration of the Auditor.

The estimated audit fee agreed with KPMG for the audit services relating to the year ending 30th June, 2027 will be within the range of HK\$5,800,000 to HK\$6,200,000. The estimated audit fee has been determined after due consideration of the nature, size and complexity of the Group's business, the expected audit scope and timetable, and the level of auditors' resources required. The estimate has been prepared on the assumptions that there will be no material change in the Group's operations, business plan, financial reporting requirements or audit scope for that financial year.

The Board considers that the estimated audit fee is fair and reasonable, having regard to the facts and circumstances known at the date of this circular. Unless there is a material change in the basis of determination or the assumptions set out above, the final audit fee determined after the Annual General Meeting is not expected to deviate materially from the estimated range disclosed above.

In recommending the re-appointment of KPMG, the Audit Committee considered, among other matters, KPMG's independence and objectivity, professional competence, experience and knowledge of the Group's business and operations, the quality of its audit work and the adequacy of the resources available to conduct the audit. Having considered the recommendation of the Audit Committee, the Board is satisfied that the re-appointment of KPMG would support the continued provision of an effective and high-quality external audit and is in the best interests of the Company and the Shareholders as a whole.

LETTER FROM THE CHAIRMAN

6. Annual General Meeting

The notice convening the Annual General Meeting is set out on pages 13 to 16 of this circular. Shareholders are advised to read the notice and to complete and return the accompanying form of proxy not less than 48 hours (excluding any part of a day that is a public holiday) before the time appointed for holding the Annual General Meeting in accordance with the instructions printed thereon.

Pursuant to the Listing Rules, any vote of shareholders at a general meeting must be taken by poll. The Chairman of the Annual General Meeting will therefore put each of the resolutions to be proposed at the Annual General Meeting to be voted by way of a poll. On a poll, every shareholder who is present in person or by proxy shall have one vote for every share of which he/she is the holder. Detailed procedures for conducting a poll are set out in Appendix II of this circular.

The Company will publish an announcement on the website of Hong Kong Exchanges and Clearing Limited at www.hkexnews.hk and the Company's website at www.sino.com of the results of the voting by poll at the Annual General Meeting on the same day after the Annual General Meeting.

7. Recommendation

The Directors consider that the Share Buy-back Mandate, the Share Issue Mandate, the re-election of Directors and the re-appointment of Auditor are in the best interests of the Company and its shareholders and recommend the shareholders to vote in favour of the respective resolutions.

Yours faithfully,
Daryl NG Win Kong
Chairman

This appendix serves as an explanatory statement, as required by the Listing Rules, to provide requisite information to you for your consideration of the Share Buy-back Mandate and also constitutes the memorandum as required under Section 239(2) of the Companies Ordinance.

1. Listing Rules

The Listing Rules permit companies whose primary listing are on The Stock Exchange of Hong Kong Limited (“Stock Exchange”) to buy back their securities on the Stock Exchange or on another stock exchange recognised for this purpose by the Securities and Futures Commission and the Stock Exchange, subject to certain restrictions, the most important of which are summarised below:

(a) Shareholders’ Approval

The Listing Rules provide that all on-market buy-backs of securities by a company with its primary listing on the Stock Exchange must be approved in advance by an ordinary resolution, either by way of a specific approval in relation to specific transactions or by a general mandate to the directors of the company to make such buy-backs.

(b) Source of Funds

Buy-backs must be made out of funds which are legally available for the purpose and in accordance with the company’s constitutive documents and the laws of the jurisdiction in which the company is incorporated or otherwise established.

2. Issued Shares

As at the Latest Practicable Date, the issued Shares comprised 9,586,141,247 Shares. On the basis of such figure, the Company would be allowed under the Share Buy-back Mandate to buy back a maximum of 958,614,124 Shares, representing 10% of the issued Shares (excluding any Treasury Shares), subject to adjustment of any further Shares issued or cancelled on buy-backs after the Latest Practicable Date and up to the date of the Annual General Meeting.

To the extent permitted by, and subject to the Company complying with the prevailing requirements of, the Listing Rules, the Companies Ordinance and any other applicable laws and regulations from time to time in force, the Company may either cancel the repurchased Shares and/or hold such Shares in treasury subject to market conditions and the Company’s capital management needs at the relevant time any repurchases of Shares are made.

To the extent that any Treasury Shares are deposited with the Central Clearing and Settlement System (“CCASS”) pending resale on the Stock Exchange, the Company will adopt appropriate measures to ensure that it does not exercise any shareholders’ rights or receive any entitlements which would otherwise be suspended under the applicable laws if those shares were registered in the Company’s own name as Treasury Shares. These measures may include approval by the Board that (i) the Company will not (or will procure its broker not to) give any instructions to Hong Kong Securities Clearing Company Limited to vote at general meetings for the Treasury Shares deposited with CCASS and (ii) in the case of dividends or distributions, the Company will withdraw the Treasury Shares from CCASS, and either re-register them in its own name as Treasury Shares or cancel them, in each case before the record date for the dividends or distributions.

3. Reasons for Buy-backs

The Directors believe that the flexibility afforded by the Share Buy-back Mandate would be beneficial to the Company and its shareholders. Buy-backs of Shares will only be made when the Directors believe that such buy-backs will benefit the Company and its shareholders. Such buy-backs may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net assets of the Company and/or its earnings per Share. It will then be beneficial to those shareholders who retain their investment in the Company since their percentage interest in the assets of the Company would increase in proportion to the number of Shares bought back by the Company.

4. Funding of Buy-backs

Any buy-backs will be made out of funds of the Company legally permitted to be utilised in this connection in accordance with the Articles of Association and the applicable laws in Hong Kong, being distributable profits of the Company or the proceeds of a fresh issue of Shares made for such purpose.

There might be an adverse impact on the working capital or gearing position of the Company as compared with the position disclosed in the audited financial statements contained in the annual report for the year ended 30th June, 2026 in the event that the Share Buy-back Mandate were to be carried out in full at any time during the proposed buy-back period. However, the Directors do not propose to exercise the Share Buy-back Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors shall from time to time be appropriate for the Company.

5. General

Neither this explanatory statement nor the Share Buy-back Mandate has any unusual features.

The Directors will exercise the power of the Company to make buy-backs pursuant to the Share Buy-back Mandate and in accordance with the Listing Rules and the applicable laws of Hong Kong.

Neither the Directors nor, to the best of their knowledge having made all reasonable enquiries, their close associates, have any present intention to sell any Shares to the Company under the Share Buy-back Mandate if such is approved by the shareholders.

No core connected persons (as defined in the Listing Rules) have notified the Company that they have a present intention to sell Shares to the Company, or have undertaken not to do so, in the event that the Share Buy-back Mandate is approved by the shareholders.

6. Share Prices

The highest and lowest prices at which the Shares were traded on the Stock Exchange during each of the previous 12 months up to the Latest Practicable Date were as follows:

	Shares	
	Highest HK\$	Lowest HK\$
2025		
September	10.220	9.270
October	10.370	9.580
November	10.800	9.580
December	10.900	10.170
2026		
January	11.800	10.260
February	13.300	11.160
March	12.780	11.020
April	12.800	11.440
May	13.280	11.460
June	11.850	10.040
July	10.980	10.020
August	10.960	10.050
1st September – 22nd September	10.660	9.705

7. Effect of the Takeovers Code

If on the exercise of the power to buy back shares pursuant to the Share Buy-back Mandate, a shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 32 of The Codes on Takeovers and Mergers and Share Buy-backs ("Takeovers Code"). As a result, a shareholder or a group of shareholders acting in concert, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rules 26 and 32 of the Takeovers Code.

As at the Latest Practicable Date, approximately 61.33% of the issued Shares was held by controlling shareholders and, assuming full exercise of the Share Buy-back Mandate given to the Directors, 68.14% will be held by such shareholders. The Directors are not aware of any consequences which may arise under Rules 26 and 32 of the Takeovers Code or such that the public float of the Company's shares will be reduced to less than 25% as a result of any purchases made under the Share Buy-back Mandate.

8. Share Buy-backs made by the Company

The Company had not purchased any of its Shares (whether on the Stock Exchange or otherwise) in the 6 months preceding the Latest Practicable Date.

The Chairman of the Meeting will put all resolutions set out in the notice of the Annual General Meeting to be voted by way of a poll pursuant to Article 69 of the Articles of Association.

On a poll, pursuant to Article 74 of the Articles of Association, subject to any special rights, privileges or restrictions as to voting from time to time attaching to any class or classes of Shares, every shareholder who (being an individual) is present in person or by proxy or (being a corporation) is present by a duly authorised representative or proxy, shall have one vote for every Share of which he/she is the holder.

A shareholder present in person or by proxy or by authorised representative who is entitled to more than one vote does not have to use all his/her votes (i.e. he/she can cast less votes than the number of Shares he/she holds or represents) or to cast all his/her votes the same way (i.e. he/she can cast some of his/her votes in favour of the resolution and some of his/her votes against the resolution). It is believed that in most situations, shareholders (other than nominee companies) usually cast all their votes either in favour of a resolution or against a resolution.

The poll voting slip will be distributed to shareholders or their proxies or authorised representatives upon registration of attendance at the Annual General Meeting. Shareholders who want to cast all their votes entitled may mark a “✓” in either “FOR” or “AGAINST” box corresponding to the resolution to indicate whether they support that resolution. For shareholders who do not want to use all their votes or want to split votes in casting a particular resolution shall indicate the number of votes cast on a particular resolution in the “FOR” or “AGAINST” box, where appropriate, but the total votes cast must not exceed their entitled votes, or otherwise, the voting slip will be spoiled and the shareholders’ vote will not be counted.

After closing the poll, the Company’s Share Registrar, Tricor Investor Services Limited, will scrutinise the votes counting and the poll results will be published on the website of Hong Kong Exchanges and Clearing Limited at www.hkexnews.hk and the Company’s website at www.sino.com on the same day after the Annual General Meeting.
