ANNOUNCEMENT ON THE POSITIVE PROFIT ALERT FOR THE THIRD QUARTER OF 2026

This announcement is made by Shenzhen Kinwong Electronic Co., Ltd. (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined under the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the “**Board**”) of directors (the “**Directors**”) of the Company hereby informs the shareholders of the Company (the “**Shareholders**”) and potential investors that, based on the preliminary assessment conducted by the finance department of the Company, the net profit of the Group for the three months ended 30 September 2026 (the “**Period**”) is expected to increase as compared with that for the three months ended 30 September 2025 (the “**Previous Period**”). In particular:

- (i) It is expected that the revenue for the Period will range from RMB6,120 million to RMB6,980 million, representing an increase of RMB2,132.5913 million to RMB2,992.5913 million as compared with that of RMB3,987.4087 million for the Previous Period, or a year-on-year increase of 53.48% to 75.05%, and a quarter-on-quarter increase of 29.67% to 47.90%;
- (ii) It is expected that the net profit attributable to owners of the Company for the Period will range from RMB912 million to RMB1,089 million, representing an increase of RMB613.4344 million to RMB790.4344 million as compared with that of RMB298.5656 million for the Previous Period, or a year-on-year increase of 205.46% to 264.74%, and a quarter-on-quarter increase of 147.20% to 195.18%; and
- (iii) It is expected that the net profit attributable to owners of the Company after deducting non-recurring gains and losses for the Period will range from RMB939 million to RMB1,116 million, representing an increase of RMB700.8825 million to RMB877.8825 million as compared with that of RMB238.1175 million for the Previous Period, or a year-on-year increase of 294.34% to 368.68%, and a quarter-on-quarter increase of 239.90% to 303.97%.

Benefiting from the accelerating mass production and shipment of high-performance printed circuit board (“PCB”) in the fields of high-speed communication and AI data infrastructure, coupled with the implementation of various measures including the reasonable transfer of cost and price in the general products sector, the optimization of the order mix, and internal cost reduction and efficiency enhancement, the Group is expected to achieve relatively rapid year-on-year and quarter-on-quarter growth in both revenue and net profit for the Period.

As at the end of the Period, the Group had a substantial order backlog in the fields of AI servers and data centres, as well as high-speed optical modules, with high capacity utilisation rates and yields. The Group is making every effort to ensure the achievement of its delivery targets. The Company believes that its strategic investments over the past several years are being rapidly transformed into sustained value growth, and it will continue to deepen its strategic partnerships with a number of global leading customers, engage extensively in the early-stage development of future products, joint technological breakthroughs and forward-looking collaboration, thereby laying a solid foundation for the subsequent iteration and upgrading of products.

The Board hereby reminds the Shareholders and potential investors that the above positive profit alert is only based on the preliminary assessment conducted by the finance department of the Company and has not been audited by certified public accountants. The financial information contained in this announcement has been prepared in accordance with the China Accounting Standards for Business Enterprises. The specific financial data of the Group for the third quarter of 2026 will be disclosed in detail in the 2026 third quarterly report of the Company.

Shareholders and potential investors of the Company are advised to exercise caution when dealing in the securities of the Company.

By order of the Board
